**RESPONDENT COMPARATIVE ANALYSIS
ITN #10553**

ITN Title: A forty (40) bed Residential Program for boys appropriate for nonsecure residential placement, between the ages of thirteen (13) and eighteen (18) with innovations in delinquency programming and treatment services. Basic Care and Custody of a residential program shall be provided in accordance with Florida Statutes, Florida Administrative Rules and Department policy to meet the minimum requirements as described in Attachments A-1 and A-2 and in keeping with A-3, References and Definitions, of this ITN. The proposed services shall also include funding for forty (40) filled slots for boys in need of Substance Abuse Treatment Overlay Services (SAOS) as described in Attachment A-2, of this ITN.

INSTRUCTIONS: *Negotiation Team members should, through group consensus, rank the Respondent's proposed program services based on the following categories, taking into consideration the initial written reply, their presentation, and all negotiated changes to the initial reply. For each CATEGORY below, rank the Respondent either 1 or 2 (2 being the best), comparing one Respondent's proposed program services against the other Respondent, to determine which Respondent's reply provides the best overall value to the Department (Ranking # 1), as evidenced by the highest score and consensus of the Team. This tool will be modified based on the number of Respondent's remaining at this point in the process. If the team is unable to reach group consensus, the lead can elect to use a majority-rules approach to determine the raw score for the component.*
