Respondents shall comply fully with the instructions on how to respond to the RFP. Respondents shall label proposals as "**DJJ SOLICITATION NUMBER 10629**" using the label form included in this RFP on the envelope(s) containing the proposal. The purpose of labeling the envelope is to put the Department's mailroom on notice that the package is a proposal in response to a DJJ solicitation and should not be opened except by the Department's Procurement & Contract Administration Bureau at the specified date and time.

Eligible Respondents include units of local government, and non-profit and for-profit organizations. Funding for this program is provided through the State of Florida Funds. For-profit organizations should be aware there are special conditions associated with Federal funding awards, including the requirement that commercial organizations agree not to make a profit as a result of an award; not to charge a management fee for the performance of a contract; and to comply with the contract cost principles of subpart 31.2 of the Federal Acquisition Regulations. Circuit Advisory Board (CAB) members and State Advisory Group (SAG) members and their employers (or any entity with a CAB/SAG member on their Board of Directors) are precluded from submitting a proposal to this RFP.

Respondents to this solicitation or persons acting on their behalf may not contact, between the release of this solicitation and the end of the seventy-two (72) hour period following the agency posting the notice of intended award, excluding Saturdays, Sundays, and state holidays, any employee or manager of the executive or legislative branch concerning any aspect of this solicitation, except in writing to the Procurement Manager or as provided in the procurement documents. Violation of this provision may be grounds for rejecting a proposal. All communications from Respondents shall be in writing (by e-mail, facsimile or mail), and cite the subject solicitation number and be directed to the attention of the Procurement Manager below.

Any person with a qualified disability shall not be denied equal access and effective communication regarding any proposal/proposal documents or the attendance at any related meeting or proposal opening. If accommodations are needed because of a disability, please contact the Bureau of Procurement and Contract Administration at (850) 413-0708 at least five business days prior to the meeting.

In addition to other criteria set forth in this solicitation document, any Respondent, and any and all subsidiaries of the Respondent, that have had a contract terminated by the Department for cause is subject to the follow provisions below: The twelve (12) month period shall begin with the effective date of termination for cause, as delineated in the termination letter from the Department.

- a) If terminated for cause in the last twelve (12) month period preceding the Date Written Proposals Are Due and Opened for this solicitation, the Respondent shall be ruled disqualified and therefore ineligible to submit a bid, proposal or response to the solicitation.
- b) If terminated for cause in the last twelve (12) month period preceding the Anticipated Date of Contract Award resulting from this solicitation, the Respondent shall be ruled disqualified and therefore ineligible to receive a contract award.
- c) The above applies regardless of the business structure (for profit/not for profit) or the dates the corporations were created.

The "One Florida Initiative" was developed in an effort to increase diversity and opportunities in state contracting without using discriminatory policies. If a Respondent(s) is awarded a contract resulting from this solicitation, answers to the following questions are due to the Department prior to contract execution:

- 1) Does your organization have a Small Business Administration 8(a) certification? Yes (Y) / No (N)
If Y, then proceed no further with these questions.

This redacted copy shall contain the Department's solicitation name, number, and the name of the Respondent on the cover, and shall be clearly titled "Redacted Copy." The redacted copy shall be provided to the Department at the same time the Respondent submits its proposal to the solicitation and must only exclude or redact those exact portions which are claimed confidential, proprietary, or trade secret.

The Respondent shall be responsible for defending its determination that the redacted portions of its proposal are confidential, trade secret or otherwise not subject to disclosure. Further, the Respondent shall protect, defend, and indemnify the Department for any and all claims arising from or relating to Respondent's determination that the redacted portions of its proposal are confidential, proprietary, trade secret or otherwise not subject to disclosure.

If the Respondent fails to submit a Redacted Copy with its proposal, the Department is authorized to produce the entire documents, data or records submitted by the Respondent in answer to a public records request for these records.

22. **PROTESTS**

Any protest concerning this solicitation shall be made in accordance with subsections 120.57(3) and 287.042(2), F.S. and Rule 28-110, F.A.C. Questions to the Procurement Manager shall not constitute formal notice of a protest. It is the Department's intent to ensure that specifications are written to obtain the best value for the State and those specifications are written to ensure competitiveness, fairness, necessity and reasonableness in the solicitation process.

- a. Paragraph 120.57(3)(b), F.S., and Rule 28-110.003, F.A.C., require that a notice of protest of the solicitation documents shall be made within seventy-two (72) hours after the posting of the solicitation.

23. **CAPTIONS AND NUMBERING**

The captions, section numbers, article numbers, title and headings appearing in this solicitation are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such articles or sections of this solicitation, nor in any way affect this solicitation and shall not be construed to create a conflict with the provisions of this solicitation.

24. **CONTACT DURING SOLICITATION**

Pursuant to subsection 287.057(23), F.S.: "Respondents to this solicitation or persons acting on their behalf may not contact, between the release of this solicitation and the end of the seventy-two (72) hour period following the agency posting the notice of intended award, excluding Saturdays, Sundays, and state holidays, any employee or officer of the executive or legislative branch concerning any aspect of this solicitation, except in writing to the procurement officer or as provided in the solicitation documents. Violation of this provision may be grounds for rejecting a response."

25. **SPECIAL CONDITIONS**

Pursuant to Rule 60A-1.002(7), F.A.C., an agency may attach additional contractual and technical terms and conditions. These "special conditions" shall take precedence over Form PUR 1000 and PUR 1001 unless the conflicting term is statutorily required, in which case the term contained in the form shall take precedence.

ALL EVALUATION AND REVIEW OF THE RESPONDENTS PROPOSAL WILL BE BASED SOLELY ON VOLUMES 1 and 2, UNLESS OTHERWISE NOTED IN THIS RFP.

- A. Transmittal Letter
This is a requirement (see Attachment B, Section XX., A.) of the RFP; however, no points will be awarded.
- B. Technical Proposal
- The Technical Proposal's sections will be evaluated by a minimum of three Department employees serving as evaluators. They will independently score these sections based on the requirements of the RFP on a 0-5 scale. The assignment of points by each evaluator will be based upon the following description of each score:

Use the following rating scores to rate the evaluation question in Attachment P:		AWARD CRITERIA
RATING	SCORE	EVALUATION DESCRIPTION
Excellent	5	The proposal exceeds all technical specifications and requirements for the service component specified. The approach is innovative, comprehensive, and complete in every detail.
Very Good	4	The proposal meets all technical specifications and requirements for the component specified. The approach is comprehensive and complete in every detail. The proposal approach contains some innovative details for some of the components specified.

Adequate	3	The proposal meets all technical specifications and requirements for the component specified.
Poor	2	The proposal does not meet all technical specifications and requirements for the component specified, or it demonstrates minimum understanding of the requirements for the component specified.

Not Addressed	0	The Respondent's proposal does not address the service component(s) specified, or the evaluator is not able to locate the information in the Respondent's proposal.

2. Evaluators will score proposals based on the information provided in response to the criteria outlined in Attachment P.

B. Financial Proposal - Evaluation Criteria

1. It is **MANDATORY** that the Respondent shall provide a price for the services by returning a completed and signed copy of the Department's **Attachment J - Price Sheet**. The price must include all services, material and labor necessary to complete the Services to be Sought in Attachment I as described in this RFP and the Respondent's proposal. The price sheet will be scored. Any proposal without a completed and signed Attachment J or with an Annual Maximum Proposed Contract Dollar Amount exceeding the Total Available Annual Maximum Contract Dollar Amount shall be rejected.
2. The score for price will be based upon the lowest "Unit Price" submitted on Attachment J by all Respondents. The total available points for price is 200 points. Therefore, the Respondent who submits the lowest "Rate/Price" shall receive 200 points. All others price proposals will receive points according to the following formula:

$$\frac{(N)}{X} \times 200 = Z$$

Where: N = lowest verified Unit Price of all proposals submitted.

X = Respondent's proposed unit price

Z = points awarded

3. Price sheets will be examined to determine if all calculations are accurate. Any Price sheet that is incomplete or in which there are significant inconsistencies or inaccuracies may be rejected by the Department. No deviations, qualifications or counter offers will be accepted. The Department reserves the right to reject any or all proposals.
4. All price table calculations will be verified for accuracy. In the event that a mathematical error is identified, Unit Prices submitted by the Respondent will prevail.
5. It is **MANDATORY** that the Respondent submits a completed and signed Attachment H. However, no points will be awarded for the Attachment H. The Financial Proposal will be evaluated to determine whether the costs listed in the Attachment H are allowable pursuant to state and federal expenditure laws, rules and regulations and authorized by the agreement between the State and Provider. To be reasonable, a cost must be evaluated to determine that the amount does not exceed what a prudent person would incur given specific circumstances. To be necessary, cost must be essential to the successful completion of the program.

C. Application of Points

To determine the highest scoring Respondent, the Procurement Manager will add the Respondent's Technical Proposal Points (max of 550 points) and the Respondent's Price

Points (max of 200 points) together for cumulative total. The Respondent with the highest Grand Total will be ranked first, the Respondent with the second highest Grand Total will be ranked second, etc. The Department anticipates four awards as a result of this solicitation.
