Performance and/or Design Requirements (intended use, function or application, compatibility, requirements; reference to policy, rule, statute or other act of the Legislature, as appropriate):

The Department of Health's Bureau of WIC Program Services has the need to purchase maintenance, enhancements and installation to its existing FL-WiSE software and supporting systems to improve functional speed and consolidate existing programs. These modifications will improve processes and interface and responsive reports. In accordance with Chapter 60A-1.045, Florida Administrative Code, the Florida Department of Health, Bureau of WIC Program Services, requests authorization to purchase, as a single source, software modifications from Three Sigma Software Inc.

Intended Single Source:

Three Sigma Software Inc

Price:

\$650,000

Justification for Single Source Purchase (what is necessary and unique about the commodity, contractual service, or source; steps taken to confirm unavailability of competition, as appropriate):

- The FL-WiSE is an existing system supporting WIC clinic and electronic benefit transfer processing multi-site pharmacy dispensing system owned by the Department of Health, Bureau of WIC Program Services.

- Three Sigma Software Inc is the sole provider of maintenance, enhancements, modifications and installation to the proprietary software.
