SECTION 1 – INTRODUCTORY SECTION

The State of Florida, Department of Law Enforcement, hereinafter called the FDLE, Department, Agency, State, Customer or Purchaser, issues this invitation to receive competitive sealed bids for Oracle Technical / Maintenance Support Services. This Invitation to Bid (ITB) and all activities leading toward the anticipated issuance of a Purchase Order (or Contract) pursuant to this ITB, are conducted pursuant to Chapters 943 and 287 Florida Statutes, and Rule 60A-1 Florida Administrative Code.

1.1. AGENCY INTENT

It is the intent of the FDLE to obtain competitive sealed bids from qualified vendors to enter into a Contract Fixed Rate Agreement for Oracle Technical / Maintenance Support Services. FDLE intends to make a single award from this ITB and establish a Contract Fixed Rate Agreement with the intent to issue Purchase Orders against the Agreement. The Contract Fixed Rate Agreement will have a term of two (2) years, with an option for three (3), one (1) year renewals.

1.2. HEADING AND SECTION REFERENCES

Section headings in this ITB are inserted for convenience only and are not to be construed as a limitation of the scope of the particular section to which the heading refers.

1.3. GENERAL INSTRUCTIONS TO RESPONDENTS (PUR 1001)

Pursuant to Rule 60A-1.002 F.A.C, the State of Florida General Instructions to Respondents (PUR 1001) are hereby referenced and incorporated in their entirety to this ITB. 1.4. MANDATORY REQUIREMENTS

The FDLE has established certain requirements with respect to bids to be submitted by respondents. The use of “shall”, “must” or “will” (except to indicate simple futurity) in this ITB indicates a requirement or conditions from which a material deviation may not be waived by the Department. A deviation is material if, in the Department’s sole discretion, the deficient response is not substantial accord with the ITB requirements, provides an advantage to one respondent over other respondents, has potentially significant effect on the quantity or quality of items bid, or on the cost of the Department. Material deviations cannot be waived. The words “should” or “may” in this ITB indicate desirable attributes or conditions, but are permissive in nature. Deviation from, or omission of, such a desirable feature, will not in itself cause rejection of a Bid.

1.5. PROCUREMENT OFFICER

The Procurement Officer, acting on behalf of the FDLE, is the sole point of contact outside of official public meetings, with regard to all procurement matters relating to this solicitation, from the date of the release of the solicitation until the FDLE Notice of Intent to Award is posted on the Vendor Bid System (VBS).

All questions or requests for clarification are to be directed to:
