Question and Answers

ADVERTISEMENT NUMBER: RFI-DOT-18-19-5002-UCF

DESCRIPTION: District Five PedSafe/Greenway Deployment Project-Transit Kiosks for University of Central Florida Campus

DATE: September 10, 2018

- 1) I am wondering who currently provides UCF with its transit kiosks?

Answer: There are no transit kiosks currently on the UCF campus. The University uses web based and mobile applications to provide information on the shuttles to students.

- 2) Is there a current contract for these services, if so would it be possible to obtain a copy of that agreement?

Answer: There is currently no contract for these services.

- 3) Is there a proposed budget for this type of program?

Answer: The PedSafe/Greenway Deployment has been funded by FDOT. There is not a specific amount setup for this feature. Rather the complete project scope will be procured as a package with its total budget. The transit kiosk make up a small proportion of the overall work.

- 4) Can you tell us when you plan to install the new TVMs? What year?

Answer: The project will be let for construction in spring 2019, with procurement and construction beginning in mid to late 2019.
