The Department's responses to timely submitted questions are below.

Question Number	Section	Page Number	Question	Response
1			Can you tell me if there will be a pre-bid/site visit for this project or will bidders be granted access to the site?	There is no site visit planned for this solicitation. Firms are able to schedule individual site visits through the Facility Manager.
2			Could you please tell me if a licensed engineering firm that has licensed architects on staff, who have the relevant design qualifications and experience on roof replacement projects, submit on this RFP?	The RFQ requests licensed architectural firms to submit. The prime firm will need to hold an architectural license.
3			is this RFQ meant for qualifications from the Architect/Engineers or Contractors or both?	This RFQ is requesting qualifications from design professionals (architects).
4			The PQS form requires us to include our current workload. We have a branch office in Miami, Florida. Do we need to include the current workload for just this branch, or for our entire firm?	Please include the workload for the entire firm.
