Fractional values will not be accepted. If an evaluator score sheet(s) is missing scores, it will be returned for completion.
- 1.2 Each evaluator shall assign a score for each evaluation criterion based upon his or her assessment of the application. The assignment of an individual score must be based upon the following description of the point scores:

- 1.3 When completing score sheets, evaluators should record references to the sections of the RFA and the written application materials which most directly pertain to the criterion and upon which their scores were based. Evaluators should not attempt an exhaustive documentation of every bit of information considered but only key information. In general, the reference statements should be brief.
- 1.4 If the application does not address an evaluation criterion, evaluators should indicate "not addressed" and score it accordingly. Where information is not addressed in the appropriate section or is difficult to find, evaluators should indicate so on the score sheet and deduct points accordingly.
- 1.5 Each evaluator has been provided a copy of the RFA, including its appendices, amendments, written inquiries and the replies provided by the Department. Each evaluator will be provided a copy of each Grant application which should be evaluated and scored according to the instructions provided in the solicitation and the evaluation manual.
- 1.6 Applications shall be independently scored by each member of the evaluation team. No collaboration is permitted during the scoring process. The same scoring principles must be applied to every application received, independent of other evaluators. Evaluators should work carefully to be as thorough as possible in order to ensure a fair and open competitive procurement. No attempt by Department personnel or other, evaluators or other persons to influence an evaluator's scoring shall be tolerated.

Applicant: _____ Evaluator: _____

- 1.7 If any attempt is made to influence an evaluator, the evaluator must immediately report the incident to the Procurement Officer. If such an attempt is made by the Procurement Officer, the evaluator must immediately report the incident to the Inspector General.
- 1.8 Only the rating sheets provided should be used. No additional notes or marks should appear elsewhere in the evaluation manual.
- 1.9 Evaluators may request assistance in understanding evaluation criteria and applications only from the Procurement Officer.
- 1.10 Section 287.057(17)(a)1., Florida Statutes (F.S.), requires that each agency must avoid, neutralize, or mitigate significant potential organizational conflicts of interest before a contract is awarded. Accordingly, in compliance with Section 4.1 of the RFA, in the event any Applicant is a member of an association or organization represented on the Grant Review Committee in Section 4.4, the scores of the association or organization's representative will not be included in the total average score for any application.
- 1.11 Questions related to the solicitation and evaluation of the applications should be directed only to:
Jessica Koburger, Procurement Officer
E-Mail Address: Jessica.Koburger@myflfamilies.com
- 1.12 After each evaluator has completed the scoring of each Grant application, the scores are then submitted to the Procurement Officer for compilation. The Procurement Officer will average the total Grant point scores by each evaluator to calculate the points awarded for each section.
- 1.13 Following completion of the independent evaluations of the applications, the Procurement Officer will hold a meeting to validate evaluator scoring. The primary purpose of the meeting is to ensure that their individual evaluation scores were captured correctly when preparing the total Grant scores.
