The Department has received the following questions from the vendor community and answers are provided in the following table:

#	Question	Answer
1.	Please confirm that the limitation of liability in Section 14.1 would apply to all services provided under this ITN.	The Department believes that the language in Attachment J (Special Contract Conditions), Section 14, subsection 14.1 (Limitation of Liability) is clear.
2.	Would the Department permit further specificity regarding what constitutes a comparable contract? Such as specifying that it would be for contracts for operations and maintenance services of pension systems of substantially the same quality and quantity of services, and with the same staff requirements (e.g., skill levels and onshore-offshore ratios), schedule, and terms and conditions?	No.
