

Florida Department of Transportation

RON DESANTIS
GOVERNOR

1074 Highway 90
Chipley, Florida 32428

KEVIN J. THIBAUT, P.E.
SECRETARY

**DOT-RFP-19-3076KW
Districtwide Contamination Assessment Services
Questions and Answers
May 1, 2019**

Question:

Section 30.4 Criteria for Evaluation: Will a hypothetical project be utilized to evaluate quantities (similar to the previous proposal RFP DOT 1819-3073KW) or will the price proposal simply be evaluated on a total summation of the pricing provided?

Answer:

Price Proposals will be graded based on a sample project.

Question:

Section 30.4 Criteria for Evaluation: No point value is assigned to Section 4.0 Work Plan of the Technical Proposal. Is this an oversight or will the work plan section not be evaluated?

Answer:

Work Plan is not a graded criteria.

Question:

Section 30.4 Criteria for Evaluation: Will the Technical Proposal and the Price Proposal Evaluation be weighted the same as shown at 100 points each or does FDOT plan to weight them differently?

Answer:

Technical and Price Proposals will be graded at 100 points each.

Question:

Can the Department please confirm that this is a single award contract?

Answer:

Yes, this is a single award RFP

Question:

Who is the incumbent?

Answer:

CB&I Environmental

Question:

Can the Department provide an Excel version of the Bid Sheet Exhibit "C"?

Answer: Please use the Adobe version published.

Question:

Please provide a list of the current contract holder's projects completed under the current contract and the values for those projects.

Answer:

We have 2 current contracts and there are various tasks, such as asbestos surveys and abatements, Level I and II Investigations, etc. Both of the current contracts are for 3 years (each) and a combined 160 LOA's that totaled a little over \$2,000,000.00.
