

ENABLING TECHNOLOGIES INC
The Supreme Braille Dot Quality!

March 13, 2017

To: John Mark Leach
Florida School for the Deaf and the Blind
Phone: 904-827-2680

This letter is to inform you that Enabling Technologies located in Jensen Beach, Florida is the sole manufacturer and repair center in the United States for the BraillePlace Braille Embosser.

Thank you and please feel free to contact me if you have any questions.

Best regards,
Enabling Technologies
Chris Kraft
