<b>Question Number</b>	<b>Question</b>	<b>Answer</b>
1	<p>In the Price pages it calls for a Unit Cost (per pick-up) that incorporates the rental of the open top or compactor, all delivery and installation costs and disposal.</p> <p>Because disposal is a significant portion of our cost of doing business, and varies from pick up to pick up, can the price sheet be modified to incorporate a disposal cost that varies per ton per pick-up?</p>	<p>The Department understands pricing varies for each area and each Bidder has their own way of billing. To make the solicitation and award process as fair as possible, the Department has chosen to utilize the unit price at a per pick-up cost. This is consistent with previous contracts awarded successfully, as well.</p>
