\* **Shortlist:** "X" in the Shortlisted Vendor column indicates shortlist selection is made to the responsive and responsible offerors whose Qualifications Packages have been determined to be the most advantageous to the State. Shortlisted vendors are those being offered the opportunity to give a technical proposal and/or oral presentation of their firm's capabilities and approach to the scope of services / specification.

\*\* **Ranking:** The Department intends to negotiate separately and will award a contract to the highest ranked vendor that reaches an acceptable agreement with the Department. The Department will commence negotiations with the number one ranked vendor until an acceptable contract is agreed upon or it is determined an acceptable agreement cannot be reached with such vendor. If negotiations fail with the number one ranked vendor, negotiations may begin with the second-ranked vendor, and so on down the order of ranking until the Department is able to negotiate an acceptable agreement.

\*\*\* **Intended Award:** "X" in the Intended Award column indicates the vendor whom the Department intends to award the contract to, but does not constitute an acceptance of any offer created by the vendor's proposal or negotiations. No binding contract will be deemed to exist until such time as a written agreement has been fully executed by the Department and the awarded vendor. If irregularities are subsequently discovered in the vendor's proposal or in the negotiations or if the vendor fails to submit required Bonds and insurance, fails to execute the contract, or otherwise fails to comply with the ITN requirements, the Department has the right to undertake
