

ADDENDUM #5

Solicitation Number: FDC RFP-15-099

Solicitation Title: Laboratory Collections and Drug Testing Services in Alachua and Sarasota Counties

Opening Date/Time: May 10, 2016 at 2:00 p.m., Eastern Time

Addendum Number: Five (5)

Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

Please be advised that the changes below are applicable to the original specifications of the above referenced solicitation. Added or new language to the RFP is highlighted in **yellow** below, while language that is deleted is stricken through below.

This Addendum includes the following revisions:

Revision No. 1

Clarification to FDC response to question 12.

Question 12	On the pre-proposal conference call, it was explained that a SAMHSA lab is required because of the model you are following. Can you please provide a description of the model that you are following?
Answer 12	Currently, The the Department's protocol consists of the correctional probation officers collecting the specimens from the offenders. All voided specimens are observed by the same sex gender. However, the process will change for Alachua and Sarasota Counties upon award of the RFP. Generally, the specimen is initially screened using an on-site device. Upon request by the probation officer, the positive specimens are sent to the Department's contracted SAMHSA certified laboratory to conduct laboratory services for offenders that are on community supervision. The drugs and thresholds are included in Section 4.7 of the RFP.

Revision No. 2

Clarification to FDC response to question 34.

Question 34	Para 4.7.9: Does the required training include specimen collection procedures? Will county employees conduct any collections?
Answer 34	The awarded Vendor will provide the requested services in Alachua and Sarasota Counties, as outlined in the RFP. State Probation Officers will continue to collect all specimen samples at all other locations not serviced by the awarded Vendor. State Probation Officers in Alachua and Sarasota Counties will not collect any specimens. Therefore, no specimen collection training will be necessary.
