STATE OF FLORIDA Department of Juvenile Justice Detention Program Office					
RESPONDENT COMPARATIVE ANALYSIS ITN #10564					
ITN Title: Comprehensive Health Services - North Region					
<p><i>INSTRUCTIONS: Negotiation Team members should, through group consensus, rank the Respondent's proposed program services based on the following categories, taking into consideration the initial written reply, their presentation and all negotiated changes to the initial reply. For each CATEGORY, ranking the Respondent either 1 or 2 (2 being the best), comparing one Respondent's proposed program services against the other Respondent, to determine which Respondent's reply provides the best overall value to the Department (Ranking # 1), as evidenced by the highest score and consensus of the Team. This tool will be modified based on the number of Respondent's remaining at this point in the process. If the team is unable to reach group consensus, the lead can elect to use a majority-rules approach to determine the raw score for the component.</i></p>
