Date posted: 06/26/20

Time Posted: 4:00 PM

Commodity or Service Required (commodity class and group, manufacturer, model, and description, as appropriate): 81111805 – Proprietary or licensed systems maintenance or support

Requestor (division, bureau, office, individual, as appropriate): Office of Geographic Information Systems, Jared Causseaux, Project Manager

Performance and/or Design Requirements (intended use, function or application, compatibility etc. requirements; reference to policy, rule, statute or other act of the Legislature, etc., as appropriate): The renewal of the Departments Esri Enterprise Advantage Program (EEAP) is critical to support the continued deployments of the enterprise GIS platform and the GIS System of Engagement (SoE). The SoE is a mechanism for delivering tangible, individual benefits of the Reliable, Organized, Accurate, Data Sharing (ROADS) Initiative to all authorized FDOT employees and partners. The EEAP supports this ecosystem for GIS that improves data sharing, increased transparency, grows awareness and understanding of what users and customers can do with GIS.

Intended source (vendor, contractor): Environmental Systems Research Institute, Inc.

Price: \$175,900.00

Justification for single source acquisition (what is necessary and unique about the product, service or source; steps taken to confirm unavailability of competition, as appropriate): Esri has been the sole provider of an integrated suite of products the Department needs to accomplish all GIS tasks, from mapping, data production, basemap maintenance, web mapping to application development. . There are currently over 10 customer numbers the Department of Transportation own and pay maintenance on. As the sole provider of our GIS Enterprise Platform, Esri offers the Enterprise Advantage Program as a way for organizations to better utilize their services in regards to their software and tools.

Approved By (names & titles, as appropriate to Post on Vendor Bid System (VBS), e.g., requestor, requestor

DocuSigned by: Information systems, budget, purchasing, DMS approver)
