PROCEDURES FOR SITE PLAN SUBMITTAL

Scheduling Pre-Application Meeting:

This meeting is not a requirement. It allows the applicant to meet with city staff to discuss code requirements and any questions you may have prior to formal submittal.

1. Applicant should schedule a preapplication meeting to meet with city staff, city engineer and fire department. This meeting will be scheduled by the Building department Admin. Assistant. Allow at least (1) week for scheduling.
2. Applicant should provide at least (5) copies of preliminary concept plan at time of scheduling pre-application meeting.

ACCEPTANCE CRITERIA FOR SITE PLAN SUBMITTAL:

1. Applicant shall complete the "Application for Site Plan Review".
2. Applicant shall complete the "Site Plan Checklist".
3. Applicant shall submit (7) signed and sealed copies of the site plan, with (2) copies of all appropriate calculations/state permit applications.
4. Incomplete application and/or submittal will not be accepted and will be returned to applicant.
5. The required engineering deposit and application fee will be paid at time of submittal.
6. The site plan must be submitted at a minimum of (30) days prior to a regularly scheduled Planning & Zoning Board meeting.
7. Building dept. Admin. Assistant will forward site plan to appropriate staff for review. Staff comments should be received by staff within (14) days from date of submittal.
8. Staff comments will be forwarded to the project engineer for response.
9. Scheduling of required meetings will not be initiated until all written city comments have been addressed satisfactorily, (9) copies of revised site plan have been submitted a minimum of (7) full working days prior to the requested meeting and all fees have been paid.

If you have any questions, please contact Todd Peetz, City Planner at (407) 249-1503.

SITE PLAN APPROVAL INFORMATION

SITE PLAN APPROVAL PROCEDURE:

Step 1. Site Plan Submittal and Review Required:
Yes No

___ ___ New commercial building or structure?

___ ___ New residential structures with three or more dwelling units?

___ ___ Commercial additions exceeding 850 square feet?

If yes has been checked on any of the above, a site plan submittal and review is required.

Step 2. Submit five (5) copies of the site plan signed and sealed by a Professional Engineer, licensed in the State of Florida along with a filing fee to the Building Department 30 days prior to the Planning and Zoning Board meeting. (The Board meets the 2nd and 4th Wednesday of every month.)

The Building Department shall distribute the site plans to the following departments and return comments to the applicant within 10 days of its submittal.

1. City Engineer
2. Building Department
3. Fire Official
4. Florida Department of Environmental Protection (if appropriate)

Step 3. The applicant shall return nine (9) copies of the revised site plan along with written responses to all comments at least seven (7) days prior to a Planning and Zoning meeting.

Step 4. Compliance with Stormwater Concurrency Management.

Step 5. The Building Department will return one (1) copy of the site plan to the applicant marked with the Board's approval subject to contingencies (if applicable.)
