1. Request for approval to publish notice of rulemaking for new Rule 69O-142.015, Standardized Requirements Applicable to Insurers After Hurricanes or Natural Disasters.

Section 24 of Senate Bill 1980 created Section 627.7019, F.S. It requires the Financial Services Commission to adopt by rule standardized requirements that may be applied to insurers as a consequence of a hurricane or other natural disaster. The rule provides standardized claims reporting requirements, grace periods for payment of premiums and performance of other duties by insureds, and temporary postponement of cancellations or nonrenewals. The Office is requesting that the Commission give approval for publication of the rule.
