You will be required to provide identification and either proof of citizenship or proof of authorization to work in the U.S. Are you a U.S. citizen or legally authorized to accept employment with the specific hiring authority to which you are applying?

*Selective Service: Section 110.1128, Florida Statutes, prohibits employment by the state (including re-hire after a break in service) of any male born on or after October 1, 1962, who failed to register with the Selective Service System, under the provisions of the U.S. Military Selective Service Act, during the person's period of eligibility (ages 18 through 25). Additionally, if currently employed by the state, this law prohibits the promotion of such person. You may be required to provide documentation.
