State of Florida
Commissioner of Financial Regulation position
Position No. 43004009 (37902)
Tallahassee, FL

RE: Scott C. Williams
Application for
Commissioner of Financial Regulation position

Ladies and Gentlemen,

I attach herewith (electronically) my CV, in support of my application for consideration for the Commissioner of Financial Regulation position with The State of Florida in Tallahassee, which position I discovered recently advertised on-line in a June, 2018 In-House Jobline (TipTop Jobs.com). I believe that even a very quick review of my credentials, as displayed thereon, will reveal the background of the career of a broadly and deeply experienced legal counsel, with that experience having been spread among "in-house" counsel roles (including corporate governance), executive management roles, and (with respect to the last segment of my career, thus far), in the private practice of law. My "in-house" and management roles have largely involved commercial contract and other document preparation and review, risk management, litigation, merger/acquisition and corporate/administrative leadership matters (particularly during my time as Senior Vice President, General and Corporate Secretary at Dominion Bankshares Corporation (TN) here in Nashville, and as Senior Vice President - Internal Controls (senior executive in charge of Audit, Compliance and Human Resources) with Community Bancshares, Inc. in Blountsville, AL), while a major portion of my early *and* latter-career work has encompassed a great deal of commercial litigation (often somewhat unusual for a General Counsel), in addition to my corporate/commercial, real estate mortgage (commercial and consumer), M & A, bankruptcy, Uniform Commercial Code and corporate governance work.

By reason of my level of senior experience as legal counsel to corporate clients, in an "in-house" environment, my application for this position at this stage of my career may seem somewhat "odd" to you. I have though, for quite some time now, longed not only for a return to the "in-house" world of legal practice, and if not "legal practice", to a corporate position that allows me to put my experience in the "in-house" legal world and in executive management to good corporate use, and think that you will see, from a review of my CV, a pattern of assuming corporate and professional duties that were new to my relevant corporate employers, and have left

much room for me to develop and expand those roles as I grew into them. It is my expectation that this pattern of professional growth will occur if I am found to be a suitable candidate for the Commissioner of Financial Regulation role with The State of Florida in Tallahassee.

I have spent the great majority of my professional life (over 36 years) in Tennessee (my home state), and have also been fully licensed to practice law in Virginia since 1982, where I spent five (5) years of my earlier career, in the Tidewater (Virginia Beach, specifically). I am eligible to obtain licensure in many additional jurisdictions via reciprocity, including Florida. I am particularly fascinated by the description of the Commissioner of Financial Regulation position currently advertised by you, as it is in a professional area with which I have been highly familiar during my long career. I believe that I would be able to be of significant, valuable service to the State in this role, and also believe that my qualifications are appropriate (perhaps ideal) for the same. I invite you to contact me on my private cell phone line (615-319-0953), or on my work e-mail address (swilliams@farris-law.com), to discuss your views on my viability as a candidate for the position.

With many thanks in advance for your kind consideration, and with kindest regards, I am

Very truly yours,
Scott C. Williams
