Overall I am multi-talented anything you give me I can do and overtime I will become the most valuable asset that your company has.

## Experience

### Cleaning

I clean pretty good because most of my life my mom was a supervisor at hotels and she was a housekeeper at times.

### Ashanti's 8th - 9th

I sold candy and snacks to local kids and after and during school making at least \$64 a day. I had my own special deals which brought in more money. I advertised which gave me more momentum with my customers. I worked alone so I wouldn't get crossed over and counted everything 3 times before I started to sale to make sure I made no mistakes.

### Dot's food shack

I helped set up food and sell candy and persuade the customers to buy more.

### Babysitting

I babysitted kids in my family and friends of my mother children.
