Financial Services Commission
Florida Capitol
Tallahassee, Florida 32399

Dear Governor Scott and Members of the Financial Services Commission,

I submit herein my formal application for Commissioner of the Office of Financial Regulation. My interest in the regulation of critical financial services stems from my career in financial services and public policy, both of which have included direct involvement with regulatory agencies including the OFR.

As prospective Commissioner, my primary objective is to provide Floridians with responsible financial oversight while ensuring that innovation in the marketplace is not unduly inhibited by draconian regulatory policy, state or federal. The economic landscape, additionally, can affect industry dynamics in an instant and requires constant vigilance.

Florida continues to expand and there is ample opportunity for our financial service providers to increase their scope and scale without sacrificing safety and soundness. I am happy to devote my services to achieve such a vision.

Thank you for your consideration and I look forward to answering your questions.

Sincerely,

Jay Fant
