PROCUREMENT
03/17

287.087 Preference to businesses with drug-free workplace programs. --Whenever two or more bids, proposals, or replies that are equal with respect to price, quality, and service are received by the state or by any political subdivision for the procurement of commodities or contractual services, a bid, proposal, or reply received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. In order to have a drug-free workplace program, a business shall:

(1) Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

(2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

(3) Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).

(4) In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than 5 days after such conviction.

(5) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community by, any employee who is so convicted.

(6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

Does the individual responding to this solicitation certify that their firm has implemented a drug-free workplace program in accordance with the provision of Section 287.087, Florida Statutes, as stated above?

INTRODUCTION SECTION

1) INVITATION

The State of Florida Department of Transportation, hereinafter referred to as the “Department”, requests written proposals from qualified Proposers to provide Geographic Information System Services and Data Management. It is anticipated that the term of the contract will begin on July 1, 2022 and be effective through June 30, 2025.

The Department intends to award this contract to the responsive and responsible Proposer whose proposal is determined to be the most advantageous to the Department. After the award, said Proposer will be referred to as the “Vendor”. For the purpose of this document, the term "Proposer" means the prime Vendor acting on its own behalf and those individuals, partnerships, firms, or corporations comprising the Proposer team. The term "proposal" means the complete response of the Proposer to the Request for Proposals (RFP), including properly completed forms and supporting documentation.

SPECIAL CONDITIONS

1) MyFloridaMarketPlace

PROPOSERS MUST BE REGISTERED IN THE STATE OF FLORIDA'S MYFLORIDAMARKETPLACE SYSTEM BY THE TIME AND DATE OF THE TECHNICAL PROPOSAL OPENING OR THEY MAY BE CONSIDERED NON-RESPONSIVE (see Special Condition 21). All prospective proposers that are not registered should go to <https://vendor.myfloridamarketplace.com/> to complete on-line registration, or call 1-866-352-3776 for assisted registration.

All payment(s) to the vendor resulting from this competitive solicitation **WILL** be subject to the MFMP

Transaction Fee in accordance with the referenced Form PUR 1000 General Contract Condition #14. The Transaction Fees imposed shall be based upon the date of issuance of the payment.

2) Florida Department of Financial Services (DFS) W-9 REQUIREMENT

The Florida Department of Financial Services (DFS) requires all vendors that do business with the state to submit an electronic Substitute Form W-9. Vendors must submit their W-9 forms electronically at <https://flvendor.myfloridacfo.com> to receive payments from the state. Contact the DFS Customer Service Desk at (850) 413-5519 or FLW9@myfloridacfo.com with any questions.

3) QUESTIONS & ANSWERS

In accordance with section 287.057(25), Florida Statutes, respondents to this solicitation or persons acting on their behalf may not contact, between the release of the solicitation and the end of the 72-hour period following the agency posting the notice of intended award, excluding Saturdays, Sundays, and state holidays, any employee or officer of the executive or legislative branch concerning any aspect of this solicitation, except in writing to the procurement officer or as provided in the solicitation documents. Violation of this provision may be grounds for rejecting a response.

Any technical questions arising from this Request for Proposal must be forwarded, in writing, to the procurement agent identified below. Questions must be received no later than the time and date reflected on the Timeline. The Department's written response to written inquiries submitted timely by proposers will be posted on the Florida Vendor Bid System at http://myflorida.com/apps/vbs/vbs_main_menu (click on "Search Advertisements"), under this RFP number. It is the responsibility of all potential proposers to monitor this site for any changing information prior to submitting their proposal.

WRITTEN TECHNICAL QUESTIONS should be submitted to:
Karen Woodham at Karen.Woodham@dot.state.fl.us.

Questions regarding administrative aspects of the proposal process should be directed to the Procurement Agent in writing at the address above or by phone:(850) 330-1340

4) ORAL INSTRUCTIONS / CHANGES TO THE REQUEST FOR PROPOSAL (ADDENDA)

No negotiations, decisions, or actions will be initiated or executed by a proposer as a result of any oral discussions with a State employee. Only those communications which are in writing from the Department will be considered as a duly authorized expression on behalf of the Department.

Notices of changes (Addenda) will be posted on the Florida Vendor Bid System at http://myflorida.com/apps/vbs/vbs_main_menu (click on "Search Advertisements") under this RFP number. It is the responsibility of all potential proposers to monitor this site for any changing information prior to submitting your proposal. All Addenda will be acknowledged by signature and subsequent submission of Addenda with proposal when so stated in the Addenda.

5) DIVERSITY ACHIEVEMENT

MINORITY BUSINESS ENTERPRISE (MBE) UTILIZATION

The Department, in accordance with *Title VI of the Civil Rights Act of 1964, 42 USC 2000d- 2000d-4, Title 49, Code of Federal Regulations, U.S. Department of Transportation, Subtitle A, Office of the Secretary, Part 21*, Nondiscrimination in federally-assisted programs of the Department of Transportation issued pursuant to such Act, hereby notifies all bidders that the Department will affirmatively ensure that in any contract/agreement entered into pursuant to this advertisement, minority and disadvantaged business enterprises will be afforded the full opportunity to submit bids in response to this invitation and will not be discriminated on the basis of race, color, national origin, or sex in consideration for an award.

The Department encourages small, minority, women, and service-disabled veteran businesses to compete for Department contracts, both as "Vendor" and as subcontractors. The Department, its vendors, suppliers, and consultants should take all necessary and reasonable steps to ensure that small, minority, women, and service-disabled veteran businesses have the opportunity to compete for and perform contract work for the Department in a nondiscriminatory environment. Bidders are requested to indicate their intention regarding MBE participation on the MBE Planned Utilization form and to submit the completed form with their Price Proposal. The contract vendor will be asked to submit payment certification for MBE subcontractors used.

To request certification or to locate certified MBEs, call the Office of Supplier Diversity, Department of Management Services at (850) 487-0915, or access their MBE directory on the Internet at www.osd.dms.state.fl.us/.

6) SCOPE OF SERVICES

Details of the services, information and items to be furnished by the Vendor are described in Exhibit "A", Scope of Services, attached hereto and made a part hereof.

7) INTENDED AWARD

The Department intends to award a contract to the responsive and responsible vendor with the highest cumulative total points for the evaluation criteria specified herein (See Section 30, Proposal Evaluation). The Intended Award decision will be announced at the Selection Committee meeting specified in the Timeline (See Introduction Section 2 Timeline

If the Department is confronted with identical pricing or scoring from multiple vendors, the Department shall determine the order of award using the following criteria, in the order of preference listed below (from highest priority to lowest priority):

1. Section 295.187(4), Florida Statutes; Veteran Business Enterprise
2. Section 287.087, Florida Statute; Drug Free Work Place
3. Section 287.057(11); Minority Business Enterprise

In the event that the application of the above referenced preferences does not resolve the identical replies, the Department shall determine the award by means of random drawing.

8) PRE-PROPOSAL CONFERENCE: A PRE-PROPOSAL CONFERENCE WILL NOT BE HELD.

9) QUALIFICATIONS

9.1 General

The Department will determine whether the Proposer is qualified to perform the services being contracted based upon their proposal demonstrating satisfactory experience and capability in the work area. The Proposer shall identify necessary experienced personnel and facilities to support the activities associated with this proposal.

9.2 Qualifications of Key Personnel

Those individuals who will be directly involved in the project should have demonstrated experience in the areas delineated in the scope of work. Individuals whose qualifications are presented will be committed to the project for its duration unless otherwise excepted by the Department's Project Manager. Where State of Florida registration or certification is deemed appropriate, a copy of the registration or certificate should be included in the proposal package.

9.3 Authorized To Do Business in the State of Florida

In accordance with sections 607.1501, 605.0211(2)(b), and 620.9102, Florida Statutes, out-of-state corporations, out-of-state limited liability companies, and out-of-state limited partnerships must be authorized

to do business in the State of Florida. Such authorization should be obtained by the proposal due date and time, but in any case, must be obtained prior to the award of the contract. For authorization, contact:

Florida Department of State
Tallahassee, Florida 32399
(850) 245-6051

9.4 Licensed to Conduct Business in the State of Florida

If the business being provided requires that individuals be licensed by the Department of Business and Professional Regulation, such licenses should be obtained by the proposal due date and time, but in any case, must be obtained prior to posting of the intended award of the contract. For licensing, contact:

Florida Department of Business and Professional Regulation
Tallahassee, Florida 32399-0797
(850) 487-1395

10) WARRANTY/SUBSTITUTIONS

When performance of the services requires the supply of commodities, a warranty is required on all items provided against defective materials, workmanship, and failure to perform in accordance with required industry performance criteria, for a period of not less than ninety (90) days from the date of acceptance by the purchaser. Any deviation from this criteria must be documented in the proposal response or the above statement shall prevail. Delivery of substitute commodities requires prior written approval from the ordering location.

Replacement of all materials found defective within the warranty period shall be made without cost to the purchaser, including transportation if applicable. All fees associated with restocking cancelled orders shall be the responsibility of the vendor.

All items provided during the performance of the contract found to be poorly manufactured will not be accepted, but returned to the vendor, at their expense, for replacement. Replacement of all items found defective shall be made without cost to the Department, including transportation, if applicable. As it may be impossible for each facility to inspect all items upon arrival, a reasonable opportunity must be given to these facilities for inspection of the items and returning those that are defective.

11) LIABILITY INSURANCE

The Vendor shall not commence any work until they have obtained the following types of insurance, and certificates of such insurance have been received by the Department. Nor shall the Vendor allow any subcontractor to commence work on this project until all similar insurance required of the subcontractor has been so obtained. The Vendor shall submit the required Certificates of Insurance to the **Florida Department of Transportation, Procurement Office, Karen Woodham 1074 Highway 90 Chipley, Florida 32428** within ten (10) days after the ending date of the period for posting the intended award decision.

The Vendor must carry and keep in force during the period of this contract a general liability insurance policy or policies with a company authorized to do business in the state of Florida, affording public liability insurance with combined bodily injury limits of at least \$ (200,000 minimum) per person and \$ (300,000 minimum) each occurrence, and property damage insurance of at least \$ (200,000 minimum) each occurrence, for the services to be rendered in accordance with this contract.

With respect to any general liability insurance policy required pursuant to this Agreement, all such policies shall be issued by companies licensed to do business in the State of Florida. The Vendor shall provide to the Department certificates showing the required coverage to be in effect with endorsements showing the Department to be an additional insured prior to commencing any work under this Contract. The certificates and policies shall provide that in the event of any material change in or cancellation of

the policies reflecting the required coverage, thirty days advance notice shall be given to the Department or as provided in accordance with Florida law.

The Department shall be exempt from, and in no way liable for, any sums of money which may represent a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Vendor or subcontractor providing such insurance. Policies that include Self Insured Retention (SIR) will not be accepted.

12) PERFORMANCE BOND

A Performance Bond is not required for this project.

13) METHOD OF COMPENSATION

This is a Term Contract for an Indefinite Quantity whereby the Vendor agrees to furnish services during a prescribed period of time. The specific period of time completes such a contract. The Department, based on need and availability of budget, may increase or decrease the Budgetary Ceiling by Amendment. Execution of this Agreement does not guarantee that the work will be authorized.

14) CONTRACT DOCUMENT

STANDARD WRITTEN AGREEMENT

The Department's "Standard Written Agreement" is attached hereto and made a part hereof. The terms and conditions contained therein will become an integral part of the contract resulting from this solicitation. In submitting a proposal, the proposer agrees to be legally bound by these terms and conditions.

15) REVIEW OF PROPOSER'S FACILITIES & QUALIFICATIONS

After the proposal due date and prior to contract execution, the Department reserves the right to perform or have performed an on-site review of the Proposer's facilities and qualifications. This review will serve to verify data and representations submitted by the Proposer and may be used to determine whether the Proposer has an adequate, qualified, and experienced staff, and can provide overall management facilities. The review may also serve to verify whether the Proposer has financial capability adequate to meet the contract requirements.

Should the Department determine that the proposal has material misrepresentations or that the size or nature of the Proposer's facilities or the number of experienced personnel (including technical staff) are not adequate to ensure satisfactory contract performance, the Department has the right to reject the proposal.

16) PROTEST OF REQUEST FOR PROPOSAL SPECIFICATIONS

Any person who is adversely affected by the contents of this Request for Proposal must file the following with the Department of Transportation, Clerk of Agency Proceedings, Office of the General Counsel, 605 Suwannee Street, Mail Station 58, Tallahassee, Florida 32399-0450:

1. A written notice of protest within seventy-two (72) hours after the posting of the solicitation, (the notice of protest may be Faxed to 850-414-5264), and
2. A formal written protest in compliance with Section 120.57(3), Florida Statutes, within ten (10) days of the date on which the written notice of protest is filed.

Failure to file a protest within the time prescribed in section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a

waiver of proceedings under Chapter 120, Florida Statutes.

17) UNAUTHORIZED ALIENS

The employment of unauthorized aliens by any contractor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the contractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of the contract.

18) SCRUTINIZED COMPANIES LISTS

ALL Responses, regardless of dollar value, must include a completed Vendor Certification Regarding Scrutinized Companies Lists to certify the respondent is not on either of those lists. The Form should be submitted with the Price Proposal.

A Vendor is ineligible to enter into a contract with the Department for goods or services of any amount if, at the time of entering into such contract, the Vendor is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel.

Section 287.135, Florida Statutes, also prohibits companies from entering into a contract for goods or services of \$1 million or more that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector Lists which were created pursuant to s. 215.473, Florida Statutes.

If the Department determines the Vendor submitted a false certification under Section 287.135 of the Florida Statutes, the Department shall either terminate the Contract after it has given the Vendor notice and an opportunity to demonstrate the Department's determination of false certification was in error pursuant to Section 287.135 of the Florida Statutes or maintain the Contract if the conditions of Section 287.135 of the Florida Statutes are met.

19) RESERVATIONS

The Department reserves the right to accept or reject any or all proposals received and reserves the right to make an award without further discussion of the proposals submitted. Therefore, the proposals should be submitted initially in the most favorable manner. It is understood that the proposal will become a part of the Department's official file, without obligation to the Department.

20) ADDITIONAL TERMS & CONDITIONS

No conditions may be applied to any aspect of the RFP by the proposer. Any conditions placed on any aspect of the proposal documents by the proposer may result in the proposal being rejected as a conditional proposal (see "RESPONSIVENESS OF PROPOSALS"). **DO NOT WRITE IN CHANGES ON ANY RFP SHEET.** The only recognized changes to the RFP prior to proposal opening will be a written Addenda issued by the Department.

21) RESPONSIVENESS OF PROPOSALS

21.1 Responsiveness of Proposals

Proposals will not be considered if not received by the Department **on or before** the date and time specified as the due date for submission. All proposals must be typed or printed in ink. A responsive proposal is an offer to perform the scope of services called for in this Request for Proposal in accordance with all requirements of this Request for Proposal and receiving seventy (70) points or more on the Technical Proposal. Proposals found to be non-responsive shall not be considered. Proposals may be rejected if found to be irregular or not in conformance with the requirements and instructions herein contained. A proposal may be found to be irregular or non-responsive by reasons that include, but are not limited to,

failure to utilize or complete prescribed forms, conditional proposals, incomplete proposals, indefinite or ambiguous proposals, and improper and/or undated signatures. ALL determinations of responsiveness will be the responsibility of the FDOT Procurement Office.

21.2 Multiple Proposals

Proposals may be rejected if more than one proposal is received from a Proposer. Such duplicate interest may cause the rejection of all proposals in which such Proposer has participated. Subcontractors may appear in more than one proposal.

21.3 Other Conditions

Other conditions which may cause rejection of proposals include, but are not limited to, evidence of collusion among Proposers, obvious lack of experience or expertise to perform the required work, failure to perform or meet financial obligations on previous contracts, or in the event an individual, firm, partnership, or corporation is on the General Services Administration Excluded Parties List. Proposers whose proposals, past performance, or current status do not reflect the capability, integrity, or reliability to fully and in good faith perform the requirements of the Contract may be rejected as non-responsible. The Department reserves the right to determine which proposals meet the requirements of this solicitation, and which Proposers are responsive and responsible.

22) PROPOSAL FORMAT INSTRUCTIONS

22.1 General Information

This section contains instructions that describe the required format for the proposal. All proposals submitted shall contain two parts and be marked as follows:

PART I TECHNICAL PROPOSAL NUMBER DOT-RFP-22-3004-KW:
(One Separate Document for Technical)

PART II PRICE PROPOSAL NUMBER DOT-RFP-22-3004-KW:
(One Separate Document for Prices)

THE SEPARATE DOCUMENTS MAY BE E-MAILED TOGETHER OR SEPARATELY.

22.2 Technical Proposal (Part I) Limited to 50 pages total. Required forms and coversheets will not count toward the maximum amount of 50 pages unless technical information is included. Please see the breakout of page limits below.

(Do not include price information in Part I)

The Proposer must submit one (1) original technical proposal which is to be divided into the sections described below. Since the Department will expect all technical proposals to be in this format, failure of the Proposer to follow this outline may result in the rejection of the proposal. The technical proposal must be submitted in one separate document marked "TECHNICAL PROPOSAL NUMBER DOT-RFP-22-3004-KW".

1. EXECUTIVE SUMMARY Limited to 5 Pages

The Proposer shall provide an Executive Summary to be written in nontechnical language to summarize the Proposer's overall capabilities and approaches for accomplishing the services specified herein. The Proposer is encouraged to limit the summary to no more than five (5) pages.

2. PROPOSER'S MANAGEMENT PLAN Limited to 20 Pages

The Proposer shall provide a management plan which describes administration, management and key personnel.

a. Administration and Management

The Proposer should include a description of the organizational structure and management style established and the methodology to be used to control costs, services reliability and to maintain schedules; as well as the means of coordination and communication between the organization and the Department.

b. Identification of Key Personnel

The Proposer should provide the names of key personnel on the Proposer's team, as well as a resume for each individual proposed and a description of the functions and responsibilities of each key person relative to the task to be performed. The approximate percent of time to be devoted exclusively for this project and to the assigned tasks should also be indicated.

3. PROPOSER'S TECHNICAL PLAN Limited to 20 Pages

The Proposer shall provide a technical plan which explains their technical approach, facility capabilities, and prior relevant experience.

a. Technical Approach

The Proposer should explain the approach, capabilities, and means to be used in accomplishing the tasks in the Scope of Services, and where significant development difficulties may be anticipated and resolved. Any specific techniques to be used should also be addressed.

b. Facility Capabilities

The Proposer should provide a description and location of the Proposer's facilities as they currently exist and as they will be employed for the purpose of this work.

c. Prior Relevant Experience

The Proposer should provide a summary, with description, date, and location of the prior relevant experience they have acquired in providing/performing this work.

4. WORK PLAN Limited to 5 Pages

The Proposer shall provide a Work Plan which sets forth on an average the estimated staff-hours for each skill classification that will be utilized to perform the work required.

22.3 Price Proposal (Part II)

The price proposal information is to be submitted in a separate sealed package marked "PRICE PROPOSAL NUMBER DOT-RFP-22-3004-KW: ". The Price Proposal information shall be submitted on the forms provided in the Request for Proposal.

22.4 Presenting the Proposal

The proposal shall be limited to a page size of eight and one-half by eleven inches (8½" x 11"). Larger pages (8½" x 14") may be used, where appropriate, but should not exceed five (5) percent of the total number of pages comprising the proposal. Type size shall not be less than 10 point font. The proposals should be indexed and all pages sequentially numbered. Covers will be at the Proposer's discretion. The technical proposal should not include more than 50 pages.

Unnecessarily elaborate, art work, visual and other presentation aids are neither necessary nor desired.

It is recognized that existing financial reports, documents, or brochures, such as those that delineate

the Proposer's general capabilities and experience, may not comply with the prescribed format. It is not the intent to have these documents reformatted and they will be acceptable in their existing form.

23) "DRUG-FREE WORK PLACE" PREFERENCE

Whenever two or more bids which are equal with respect to price, quality, and service are received, the Department shall determine the order of award first in accordance with section 295.187(4), Florida Statutes, giving preference to "Veteran Business Enterprise" then to bid responses from vendors that certify the business has implemented a drug-free workplace program in accordance with Section 287.087, Florida Statutes. The "Drug-Free Workplace Program Certification" must be completed and submitted with the bid response to be eligible for this preference.

24) COPYRIGHTED MATERIAL

Copyrighted material will be accepted as part of a technical proposal only if accompanied by a waiver that will allow the Department to make paper and electronic copies necessary for the use of Department staff and agents. It is noted that copyrighted material is not exempt from the Public Records Law, Chapter 119, Florida Statutes. Therefore, such material will be subject to viewing by the public, but copies of the material will not be provided to the public.

25) ATTACHMENT TO RFP SUBMITTAL - CONFIDENTIAL MATERIAL

The Proposer must include any materials it asserts to be exempted from public disclosure under Chapter 119, Florida Statutes, in a separate bound document labeled "Attachment to Request for Proposals, Number RFP-DOT-22-3004-KW- Confidential Material". The Proposer must identify the specific Statute that authorizes exemption from the Public Records Law. Any claim of confidentiality on materials the Proposer asserts to be exempt from public disclosure and placed elsewhere in the proposal will be considered waived by the Proposer upon submission, effective after opening.

26) COSTS INCURRED IN RESPONDING

This Request for Proposal does not commit the Department or any other public agency to pay any costs incurred by an individual firm, partnership, or corporation in the submission of a proposal or to make necessary studies or designs for the preparation thereof, nor to procure or contract for any articles or services.

27) ELECTRONIC SUBMISSION OF PROPOSALS:

Electronic Bid Submittals

Please follow the below instructions for the submittal of electronic bids, failure to do so, may result in your bid being found non-responsive. Non-responsive replies will not be evaluated.

- a) Subject line must show: DOT-RFP-22-3004-KW
- b) Email(s) shall contain file(s) marked in accordance with section 22.1 General Information.
- c) Documents shall be submitted in portable document format (PDF) and have a size limit of 25MB.
- d) The body of the email shall not contain any information
- e) Bids shall be submitted to: D3.Purch@dot.state.fl.us

It is the bidder's responsibility to assure that the bid is delivered to the proper place **on or before** the Bid Due date and time (See Introduction Section 2 Timeline). Bids which for any reason are not so delivered, will not be considered.

28) MODIFICATIONS, RESUBMITTAL AND WITHDRAWAL

Proposers may modify submitted proposals at any time prior to the proposal due date. Requests for modification of a submitted proposal shall be in writing and must be signed by an authorized signatory of the proposer. Upon receipt and acceptance of such a request, the entire proposal will be returned to the proposer and not considered unless resubmitted by the due date and time. Proposers may also send a change in a separate email to be opened at the same time as the proposal. The RFP number, due date and time should appear in the subject of the email containing modified proposal.

29) PROPOSAL OPENING

All proposal openings are open to the public. Technical Proposals will be opened by the Department at the date, time and location in the Timeline (See Introduction Section 2 Timeline). Price Proposals, which have a corresponding responsive Technical Proposal, will be opened by the Department at the date, time and location in the Timeline (See Introduction Section 2 Timeline).

30) PROPOSAL EVALUATION

30.1 Evaluation Process:

A Technical Review Committee (TRC) will be established to review and evaluate each proposal submitted in response to this Request for Proposal (RFP). The TRC will be composed of at least three (3) persons who collectively have experience and knowledge in the program areas and service requirements for which the commodities and/or contractual services are sought.

The Procurement Office will distribute to each member of the TRC a copy of each technical proposal. The TRC members will independently evaluate the proposals on the criteria and point system established in the section below entitled "Criteria for Evaluation" in order to assure that proposals are uniformly rated. Due to the complexity of certain procurements, the TRC members are authorized to consult with subject matter experts for the purpose of gathering information, if needed. The independent evaluations will be sent to the Procurement Office and averaged for each vendor. Proposing firms must attain an average score of seventy (70) points or higher on the Technical Proposal to be considered responsive. Should a Proposer receive fewer than seventy (70) points for their average Technical Proposal score, the Price Proposal will not be opened.

During the process of evaluation, the Procurement Office will conduct examinations of proposals for responsiveness to requirements of the RFP. Those determined to be non-responsive will be automatically rejected.

Oral Presentations will be given by the Proposers that receive seventy (70) points or higher on their technical proposals.

The Department will hold a public meeting to summarize the technical evaluations and identify the Proposers that attained an average score of seventy (70) points or higher on their Technical Proposal and are thus considered responsive. The responsive Proposers will continue in this procurement process and be participating in Oral Presentations on the date(s) scheduled in the Timeline (See Introduction Section 2 Timeline).

The following time frames shall govern the Oral Presentations:

- | | | |
|----|--------------------------------|-------------------|
| a. | Presentation | <u>30</u> minutes |
| b. | Specific Questions on proposal | <u>30</u> minutes |

The committee members will independently evaluate the oral presentations on the criteria established in the section below in order to assure that orals are uniformly rated. Oral Presentations are not open to the public.

30.3 Price Proposal

The Proposer shall complete the Price Proposal form and submit as part of the Price Proposal Package. Any

proposal in which this form is not used or in which the form is improperly executed may be considered non-responsive and the proposal will be subject to rejection. The vendor's completed form shall become a part of the contract upon award of the contract.

The Procurement Office will open Price Proposals in accordance with Section 29, Proposal Openings. The Procurement Office and/or the Project Manager/TRC will review and evaluate the price proposals and prepare a summary of its price evaluation. The Procurement Office and/or the Project Manager/TRC will assign points based on price evaluation criteria identified herein.

30.4 Criteria for Evaluation

Proposals will be evaluated and graded in accordance with the criteria detailed below.

a. Technical Proposal (100 Points)

Technical evaluation is the process of reviewing the Proposer's response to evaluate the experience, qualifications, and capabilities of the proposers to provide the desired services and assure a quality product.

The following point system is established for scoring the technical proposals:

	<u>Point Value</u>
1. Executive Summary	20
2. Management Plan	30
3. Technical Plan	30
4. Work Plan	20

b. Oral Presentations (if applicable) (80 Points)

The Oral Presentation shall include sufficient information to enable the Department to evaluate the technical capability of the firms to provide the desired services.

The following point system is established for scoring the Oral Presentations:

	<u>Point Value</u>
1. Presentation	40
2. Questions	40

c. Price Proposal (20 Points)

Price evaluation is the process of examining a prospective price without evaluation of the separate cost elements and proposed profit of the potential provider. Price analysis is conducted through the comparison of price quotations submitted.

The criteria for price evaluation shall be based upon the following formula:

$$\frac{\text{Low Price}}{\text{Proposer's Price}} \times \text{Price Points} = \text{Proposer's Awarded Points}$$

31) POSTING OF INTENDED DECISION/AWARD

31.1 The Department's decision will be posted on the Florida Vendor Bid System, at [http://myflorida.com/apps/vbs/vbs www.main menu](http://myflorida.com/apps/vbs/vbs_main_menu), on the date in the Timeline, and will remain posted for a period of seventy-two (72) hours. Any proposer who is adversely affected by the Department's recommended award or intended decision must file the following with the Department of Transportation, Clerk of Agency Proceedings, Office of the General Counsel, 605 Suwannee Street, Mail Station 58, Tallahassee, Florida 32399-0450:

1. A written notice of protest within seventy-two (72) hours after posting of the Intended Award, (the notice of protest may be Faxed to 850-414-5264), and

2. A formal written protest and protest bond in compliance with Section 120.57(3), Florida Statutes, within ten (10) days of the date on which the written notice of protest is filed. At the time of filing the formal written protest, a bond (a cashier's check or money order may be accepted) payable to the Department must also be submitted in an amount equal to one percent (1%) of the estimated contract amount based on the contract price submitted by the protestor.

Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes.

31.2 - Inability to Post:

If the Department is unable to post as defined above, the Department will notify all proposers by electronic notification on the Florida Vendor Bid System (see special condition 31.1, above) and/or telephone. The Department will provide notification of any future posting in a timely manner.

31.3 - Request to Withdraw Proposal:

Requests for withdrawal will be considered if received by the Department, in writing, within seventy-two (72) hours after the price proposal opening time and date. Requests received in accordance with this provision will be granted by the Department upon proof of the impossibility to perform based upon obvious error on the part of the proposer.

32) AWARD OF THE CONTRACT

Services will be authorized to begin when the Vendor receives the following document(s), as appropriate, indicating the encumbrance of funds and award of the contract:

A Standard Written Agreement executed by both parties, and a written Notice to Proceed, issued by the Project Manager.

33) RENEWAL

Upon mutual agreement, the Department and the Contract Vendor may renew the Contract for a period that may not exceed 3 years or the term of the original contract, whichever is longer. The renewal must be in writing and signed by both parties, and is subject to the same terms and conditions set forth in the initial contract and any written amendments signed by the parties. Any renewal shall specify the renewal price, as set forth in the solicitation response except that an agency may negotiate lower pricing. Renewal is contingent upon satisfactory performance evaluations and subject to the availability of funds.

34) ATTACHED FORMS

Price Proposal Form
 Drug-Free Workplace Program Certification (Form 375-040-18)
 MBE Planned Utilization form
 Bid Opportunity List
 Vendor Certification Regarding Scrutinized Companies Lists (Form 375-030-60)
 E-Verify

35) TERMS AND CONDITIONS

35.1 General Contract Conditions (PUR 1000)

The State of Florida's General Contract Conditions are outlined in form PUR 1000, which is a downloadable document incorporated into this RFP by reference. Any terms and conditions set forth in this RFP document

take precedence over the PUR 1000 form where applicable.
<http://www.dms.myflorida.com/content/download/2933/11777/1000.pdf>

The following paragraphs do not apply to this solicitation:

Paragraph 31, Dispute Resolution - PUR 1000

Paragraph 40, PRIDE – PUR 1000, when federal funds are utilized.

35.2 General Instructions to Respondents (PUR 1001)

The State of Florida's General Instructions to Respondents are outlined in form PUR 1001, which is a downloadable document incorporated into this RFP by reference. Any terms and conditions set forth in this RFP document take precedence over the PUR 1001 form where applicable.

<http://www.dms.myflorida.com/content/download/2934/11780/1001.pdf>

The following paragraphs do not apply to this solicitation:

Paragraph 3, Electronic Submission – PUR 1001

Paragraph 4, Terms and Conditions – PUR 1001

Paragraph 5, Questions – PUR 1001

35.3 MFMP Purchase Order Terms and Conditions

All MFMP Purchase Order contracts resulting from this solicitation will include the terms and conditions of this solicitation and the State of Florida's standardized Purchase Order Terms and Conditions, which can be found at the Department of Management Services website at the following link:

[http://www.dms.myflorida.com/content/download/117735/646919/Purchase Order Terms Sept 1, 2015 .pdf](http://www.dms.myflorida.com/content/download/117735/646919/Purchase%20Order%20Terms%20Sept%201,%202015.pdf)

Section 8(B), PRIDE, is not applicable when using federal funds.

36) ORDER OF PRECEDENCE

All responses are subject to the terms and conditions of this solicitation, which, in case of conflict, shall have the following order of precedence listed:

- Special Conditions
- Scope of Services/Specifications
- Price Proposal

37) LIQUIDATED DAMAGES

The Vendor acknowledges that failure to complete the services by the completion date designated on the contract document may cause the Department to incur damages that, at present are, and upon the occurrence of the failure to timely complete the services may be, difficult to determine. Moreover, the Parties wish to avoid lengthy and expensive litigation relating to failure to complete the services on time. Therefore, in the event the Vendor fails to complete the authorized services by the completion date designated on the contract document, the Department shall exercise the remedy of liquidated damages against the Vendor, in the amount of \$100.00 per day for each calendar day after the designated completion date that the Vendor fails to complete the services. The Parties agree that if the Department allows the Vendor to continue and finish the services, or any part of it, after the expiration of the time allowed, that the Department's action shall in no way act as a waiver on the part of the Department of the liquidated damages due under this contract. The Vendor shall pay said sum to the Department not as a penalty, but as liquidated damages.

38) ALTERNATES

ALTERNATE BRANDS WILL NOT BE CONSIDERED FOR THIS RFP. PROPOSE AS SPECIFIED.

39) REPLACEMENT/RESTOCKING

Replacement of all materials found defective within the warranty period shall be made without cost to the purchaser, including transportation if applicable. All fees associated with restocking cancelled orders shall be the responsibility of the vendor.

40) RECYCLED MATERIAL

The Department encourages the use of products and materials with recycled content and postconsumer recovered materials. If the item(s) specified herein is available with recycled content, we request that you provide product information to help in our search for recycled products. However, this RFP request is for the product as specified herein and does not require prices for recycled product unless specified.

This information should be sent separately and not as a part of your proposal response.

41) BUDGETARY LIMITATION

The Department has a total maximum budgetary amount of \$1.5 Million for the contract resulting from this solicitation. Proposals received that exceed the total maximum budgetary amount will be considered non-responsive. See Special Condition 21, RESPONSIVENESS OF PROPOSALS.

SCOPE OF SERVICES

Geographic Information System Services and Data Management

I. PURPOSE

The Department requires the services of a Vendor to support the Intermodal System Development (ISD) staff in performing Geographic Information Systems (GIS) functions for District 3. The Vendor may be requested to provide in-house GIS support for the Planning Department. Also, should possess strong GIS as well as database maintenance and programming capabilities. Requirements include Application Production knowledge to support the District's GIS support effort. The Vendor will be required to assist in the preparation and production of various reports and maps including but not limited to the District's Corridor Maps and Reports, Work Program Maps and Reports.

Background

District 3 is comprised of a 16-county area and the ISD GIS staff provides solutions to the District's numerous business areas' and the GIS information is supplied from a variety of sources such as various governmental entities; operational data from Enterprise Systems; and locally produced data. The District ISD GIS Section manages the District's GIS program in coordination with the Department's GIS Program. Also coordinates GIS activities, provides training, performs system and data maintenance, as well as related application production.

II. TASKS FOR WHICH VENDOR SERVICES MAY BE REQUIRED

TASK DESCRIPTION

All assignments are to be completed in accordance with Department policies, procedures, guidelines, manuals and rules. Federal guidelines and manuals may be required as supplemental documents. The Vendor's work will be managed by a Department Project Manager who will provide a specific definition of the work to be performed by the Vendor for each major task as defined below through the issuance of a Task Work Order (TWO). The TWO will include project requirements, schedules, manpower estimates, documentation, and total allowable project costs. Such TWO will be produced in cooperation with the Vendor and issued to the Vendor prior to any work on the task being initiated. The following types of task descriptions may be assigned under the terms of this agreement.

MAJOR TASKS:

A. Application Services:

The vendor will provide any, or all, of the following services on an as-needed basis:

1. The Vendor will be requested to produce GIS and database applications utilizing the planning office's software (ArcGIS for Desktop 10.x, ArcPro, ArcGIS Server, ArcGIS Online, MS SQL Server, MS Access, MS Excel, HTML5, JavaScript, Python, Representational State Transfer web services, etc.). The Vendor should possess understanding of current business systems, data inventory, and the value and prioritization of GIS services within District 3 and the enterprise while adhering to Quality Assurance (QA) and Quality Control (QC) procedures.

2. Production of GIS tools to be used to maintain existing or newly created GIS data related to linear referencing, transportation system data, asset management, operations, metadata, production of web services, and relational database modeling.
3. Production of web-based GIS dashboards and/or widgets that are lightweight, maintainable, that are scalable and that establish data sharing methods using Electronic Document Management Systems (EDMS), File Transfer Portal (FTP), and/or SharePoint.
4. Production of data modeling tools to be used to communicate updates between the GIS and an Oracle-based and SQL Server database management systems which can include ESRI Geodatabases.
5. Configuration of data conversion tools to support digital data manipulation, conversion, and file format translation into spatially accurate and location intelligent data. i.e.. data interoperability, data conversions, etc.
6. Generate data interoperability and exchange workflows for supporting field collection operations, out-of-office staff, external stakeholders, and end-users.
7. Instrument and provide customized GIS training for newly created applications and GIS data products.
8. Extend support with the District 3 GIS SharePoint site via content, documentation and providing data products. All updates shall comply with existing FDOT web standards. These support services will be performed in close coordination with District 3 GIS Project Manager and Office of Information Technology (OIT) staff.

9. Administration of services specific to the GIS software, hardware, and databases at District 3 that require configuration, customization, and production. These services will be performed in close coordination with District 3 GIS Project Manager and OIT staff.

10. Compilation of GIS data.

- A. Evaluate and support implementation procedures integrating GIS data to EDMS
- B. Open Data resources and web service sharing and data consumption from disparate sources
- C. Identification of non-traditional data sources where strategic decision-making can be extrapolated
- D. Discovery of live data feeds from Local, State, Federal and private GIS resource via URL and application program interfaces (API)s

11. Data transfer between multiple GIS formats;

- A. Extraction of pertinent features and attributes, transfer the data into geodatabase or relational database.
- B. Concise understanding of Relational Database Management System (RDBMS) transactions and stored procedures in relation to production management datasets.

C. Clear understanding of transformation of data types and creating spatially accurate outputs from the following data formats: CSV, DGN, DWG, DXF, XLSX, GG, GPX, GeoPDF, GeoJPEG, IGDS, LAS, JSON, XML, KML, TIFF, GeoJSON, WMS, WFS

12. Produce scripts and associated documentation needed to perform data integration, data manipulation, spatial and tabular analysis, data display and mapping in an ArcGIS environment.

13. Coordination with OIT to establish storage solutions for server applications and general GIS operations; Coordinate with the Civil Integrated Management (CIM)/GIS Office for compliancy with GIS standards, manuals, policies, and procedures, Reliable, Organized, Accurate Data Sharing (ROADS) requirements and Data Governance.

14. Configure ArcGIS mobile workflow solutions such as Survey 123, Field Maps for ArcGIS, and other ArcGIS mobile solutions.

B. Mapping/Reporting/Analysis:

The Vendor will provide any, or all, of the following services on an as-needed basis:

1. The Vendor will coordinate with the Department to review and update Corridor Maps and associated Reports. The Vendor should be familiar with the Roadway Characteristics Inventory (RCI) database and may also be required to perform field analyses where information/data on existing facility characteristics may not be readily available.

2. The Vendor may be required to coordinate with the Department to review tasks in the development of the Tentative and/or Adopted Work Program maps, related reports and to review the work products. The Vendor should be familiar with the procedure of obtaining Work

Program data through the Department's mainframe. The Vendor may be required to pull data from various DOT databases and mainframe to be used in reports and for mapping purposes. The Vendor may be required to review the captured data for any missing information that would be needed for mapping and display purposes. Provide mapping production support of database algorithms as per data requirements, structures, and automation testing and deployment.

3. Updating of Existing GIS layers by providing personnel to directly assist District 3 staff; work can include development of simple automation (tools) for more effective updating or actual supplementary staff to carryout updates; supplementary staff may be tasked to work on-site in a District Office.

4. Work can also include development of simple automation (tools) for utilizing existing data (legacy data, aerial photos, etc.) to create and effectively update new GIS data layers following ROADS governance.

5. Creation and updating of ArcGIS Online (AGOL) maps, applications, metadata, and tags. Upload, share and view GIS data across multiple users and groups within the FDOT AGOL Organization (GIS@FDOT).

6. Implement GIS data collection to create and maintain an inventory of asset locations and attribute information per Civil Integrated Management Requirements. Create, edit, and utilize GIS maps while in the field. Provide programmatic support as necessary in projects utilizing Survey 123, Field Maps for ArcGIS, other mobile collection tools, imagery for visualization and analysis in GIS.

7. Support Emergency Management with Federal Aid maps, Detailed Damage Inspection Report (DDIR) collection and/or processing, Mapping of effected areas, and general GIS support.

8. Support the creation of imagery products from drone-captured imagery for visualization and analysis in GIS. Products and/or activities must be compliant with F.S 472 and FAC 5J-17 and meet standards outlined the in the Department’s Surveying and Mapping Manual.

9. Provide innovative approach to data automation, analysis, and communication strategies.

Possess the capacity to facilitate involvement of the public, organizations, and individuals that contribute to outreach of overall District 3 GIS initiatives.

C. GIS Management Vendor:

The Vendor will provide any, or all, of the following services on an as-needed basis:

1. Technical Guidance concerning alternative GIS implementation schemes.
2. Coordination or Project Management of efforts by other vendors.
3. Oversight of documentation and training concerning the Department’s GIS processes.
4. Training for specialized efforts supporting District 3.
5. Coordination with CIM GIS Office regarding software and system configuration options.
6. Facilitation of technical and management alternatives with other Districts and Central Office.

Software:

All GIS software produced as a part of work done under this agreement shall, as a minimum, comply with the following standards.

- The Department is actively pursuing a System of Engagement for delivering tangible, individual benefits. All software or tools developed should use a COTS first approach maximizing FDOT's currently deployed ArcGIS Platform and existing business systems
- Ownership: All software produced and paid for under this agreement shall become the property of the District and the FDOT. For any proprietary components that may be utilized in the production of application(s), prior approval from the District will be required and any necessary licenses will be included in the cost.
- Source Code: The source code for all software produced and paid for under this agreement shall become the property of the District and the FDOT. Proprietary software components incorporated into the work will be fully documented to include all instructions provided by the author of the proprietary software component. All source codes will be internally documented with comments to provide, as a minimum, descriptions of each module, script, form, or HTML "page". That description shall include the purpose of the portion of source code, as well as any assumptions, methodologies, or algorithms used in it. Meaningful variable names will also be utilized to make the source as "self-documenting" as possible. All custom code must meet the Department's standards outlined in the Transportation Technology Manual.
- Programming Languages: Structured Query Language for MS SQL Server, Oracle 11.x and 12.x, as required by the specific Scope of Services for any database scripts. Utilize Universal Windows Platform with VB.NET, C#, or Python shall be used for all application production unless otherwise modified by the specific Scope of Services. All

custom code must meet the Department's standards outlined in the Transportation Technology Manual.

- Applications produced to function "on the web" shall comply with existing FDOT web standards. Additional software requirements may be specified in the "Scope of Services" for any TWO's awarded under this agreement.

III. SERVICES

The Vendor will be required to perform analyses and to produce specific recommendations and products as assistance to the District 3 GIS Staff in the performance of some or all the tasks as identified in Section III of this Scope of Services. All work performed by the Vendor will be in compliance with the Moving Ahead for Progress in the 21st Century Act (MAP-21), the latest Federal Transportation Policy, Florida DOT System of Engagement (FDOT SOE), ROADS, Transportation Technology Manual and conform to the most recent State Laws, Policies, and Procedures including the Florida Transportation Plan (FTP).

IV. RESPONSIBILITIES OF THE DEPARTMENT

A. The Department will provide a Project Manager who will be responsible for the day-to-day management of this contract and all coordination with the Vendor pertaining to the execution of all phases of this contract. The Department's Project Manager will provide TWOs defining the specific work to be performed and the schedule for completion of such work; agree on the Vendor staffing and availability (including substitutions from the available staffing list provided); and process Vendor invoices for payment.

B. The Department will provide, before the initiation of any work on any of the tasks defined in this exhibit, a specific TWO for the task defining the work to be accomplished, Project Manager for each task, the schedule in which it will be accomplished, and the total reimbursement due the Vendor.

C. The Department will furnish, without charge, the following services and data to the Vendor for the performance of the requested services:

1. All criteria and full information as to the Department's requirements for the Vendor's services including objectives, constraints, budgetary limitations, and time restraints.
2. All Department Policies, Procedures, Standards, and other information applicable to the services.
3. All drawings, specifications, schedules, reports, and other information prepared by, or for the Department by others, which are available to the Department, considered pertinent to the Vendor's responsibilities described herein.
4. All server and ArcGIS access available.
5. Mainframe computer access for Vendor staff as needed for the services to be provided.

V. RESPONSIBILITIES OF THE VENDOR

A. The Vendor will provide an overall Project Manager who will be the primary point of contact for the Vendor regarding the scope, schedule, manpower

coordination and completion of all work tasks. The Project Manager will provide monthly progress reports by TWO, as well as weekly project updates via email.

These progress reports will be the basis for evaluation and processing of invoices for payment.

- B. The Vendor will provide and maintain a list of staff for the following classifications that would be available to be assigned to specific work tasks.
- C. The Vendor will provide sufficient staff, either the specific staff person requested or acceptable staff at defined levels of expertise as agreed to by the Department's Project Manager in a timely manner to complete all assigned work within the TWO schedules. If, anytime, the Department's Project Manager determines that the number or expertise of staff assigned to a specific task is inadequate, the Department's Project Manager shall coordinate with the Vendor Project Manager to ensure adequate staff with the proper level of expertise is made available to realize the timely completion of work.
- D. The Vendor will perform all analyses, produce recommendations, and document all work within the required time schedule as defined in the TWOs.

VI. SUBCONSULTING

Services assigned to sub-contractor must be approved in advance by the Department in accordance with this Agreement. Subcontractors should possess capabilities to perform all work assigned to them. Additional sub-contractors with specialized areas of expertise

may be required by the Department or requested by the Vendor to complete specific TWO work assignments. The need for the sub-contractor to perform work assignments will come in the form of a written request and will be agreed to by the Department and Vendor Project Manager before any work being performed by the sub-contractor.

VII. COMPUTER SERVICES

- A. The Contractor will be authorized to use the latest versions of Department computer programs.
- B. Should the Contractor want to use any other programs than those specified, permission must be granted in accordance with this Contractor agreement.
- C. Computations based on computer programs other than the Department's must conform to all Department format requirements.

VIII. QUALITY ASSURANCE PROGRAM

A. Quality Reviews:

The Vendor will conduct quality reviews to make certain the Vendor's organization meets the requirements cited in the Scope of Services. Quality Reviews will be conducted to evaluate the adequacy of materials, invoices, processes, procedures, documentation, training, guidance and staffing included in the execution of this contract. Quality reviews will also be performed to assure compliance with specific Quality Assurance (QA) provisions contained in this contract.

B. Quality Assurance Plan:

Within thirty days after receiving award of a contract, the Vendor will furnish a QA Plan to the Department. The QA plan will detail the procedures, evaluation criteria, and instruction to the Vendor's organization to assure conformance with the Contract. Unless specifically waived, no payment will be made until the Vendor's QA plan is approved by the Department.

Significant changes to the work requirements may require the Vendor to revise his QA plan. It will be the responsibility of the Vendor to keep his plan current with the work requirements. The plan will include, but not be limited to, the following areas:

1. Organization: A description is required of the Vendor's Quality Control Organization and its functional relationship to the part of the organization performing the work under the contract. The authority, autonomy and responsibilities of the Quality Control Organization will be detailed as well as the names and qualifications of personnel in the Quality Control Organization.
2. Quality Reviews: The Vendor will detail methods used to monitor and assure compliance of his organization with the contract requirements for services and products will be detailed by the Vendor.
3. Quality Records: The types of records which will be generated and maintained by the Vendor during the execution of the Vendor's QA program.
4. Control of Subcontractors and Vendors: The methods used by the Vendor to

control the quality of his subcontractors and vendors will be detailed.

5. QA Certification: An officer of the Vendor firm will be required to sign and seal a certification that will accompany each submittal stating that the plans, reports, etc. have been prepared and checked in accordance with FDOT Specifications.
6. Quality Records: The Vendor shall maintain adequate records of the QA performed by his organization, (including subcontractors and vendors) in providing services and products under this contract. All records shall indicate the nature and number of observations made, the number and type of deficiencies found, and the corrective actions taken. These records shall be available to the Department upon request during the contract term. All records shall be kept at the primary job site. All records are subject to audit review. The QA program shall have a second level of review, referred to herein as an "independent review." This independent review can be conducted by several methods:
 - a. The review may be accomplished internally by the Vendor's organization, or,
 - b. The Vendor may contract the review with another Vendor firm.

EXHIBIT "B"

METHOD OF COMPENSATION

1.0 PURPOSE:

This Exhibit defines the limits and method of compensation to be made to the Vendor for services set forth in Exhibit "A" and the method by which payments shall be made.

2.0 ASSIGNMENT OF WORK:

The Department shall request Vendor services on an as-needed basis. Services to be provided on each project will be initiated and completed as directed by the Project Manager. A "Letter of Authorization" will be issued for each project scheduled.

3.0 COMPENSATION:

The total of all authorizations shall not exceed a Budgetary Ceiling of \$1,500,000.00.

This is a Term Contract for an Indefinite Quantity whereby the Vendor agrees to furnish services during a prescribed period of time. The specific period of time completes such a contract. The Department, based on need and availability of budget, may increase or decrease the Budgetary Ceiling by Amendment. Execution of this Agreement does not guarantee that the work will be authorized.

4.0 ESTABLISHMENT OF LETTER OF AUTHORIZATION AMOUNT:

For each "Letter of Authorization" (LOA) the Vendor, following the Scope of Services as set forth in Exhibit "A", shall prepare an estimate of work and price based on the rates established in Exhibit "C", and allowable expenses. **Once an acceptable Maximum Amount has been agreed upon by the Vendor and the Department's Project Manager, a "Letter of Authorization" shall be issued by the Project Manager.** All work authorizations shall be completed within the term of this Agreement.

5.0 PROGRESS PAYMENTS:

The Vendor shall submit monthly invoices (3 copies) in a format acceptable to the Department. For the satisfactory **performance** of the services detailed in each "Letter of Authorization", the Vendor shall be paid up to the Maximum Amount of each Authorization. Payment shall be made at the contract hourly billing rates in Exhibit "C", for services provided, as approved by the Department. The contract hourly billing rates shall include the costs of salaries, overhead, fringe benefits and operating margin. Payment for expenses shall be made on the basis of actual allowable cost incurred as authorized and approved by the Department. **The invoice shall include documentation of man-hours**

provided and itemization of costs incurred (including receipts).

Invoices shall be submitted to: Florida Department of Transportation
Corey Webb
1074 Highway 90
Chipley, Florida 32428

The Vendor has certified that ____% MBE/DBE utilization would be achieved for this contract. If MBE utilization was certified by the Vendor, an MBE payment certification form shall be submitted with each invoice to verify the MBE utilization.

If DBE utilization was certified, DBE payments are to be input each month at the following link: <https://www.fdot.gov/equalopportunity/eoc.shtml>

New users reporting DBE payments will need to contact FDOT at EOOHelp@dot.state.fl.us to get a EOC user ID and password to access the application.

6.0 DETAILS OF UNIT RATES:

Details of Unit Rates for the performance of the Vendor's services set forth in Exhibit "A" are contained in Exhibit "C", attached hereto and made a part hereof.

F.E.I.D. No.: _____
Appropriation Bill Number(s)/Line Item Number(s) for 1st year of
contract, pursuant to s. 216.313, F.S.: _____
(required for contracts in excess of \$5 million)
Procurement No.: DOT-RFP-22-3004-KW
DMS Catalog Class No.: 81101512

BY THIS AGREEMENT, made and entered into on _____ by and between the
STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION, hereinafter called the "Department" and _____, of _____
duly authorized to conduct business in the State of Florida, hereinafter called "Vendor," hereby agree as follows:

1. SERVICES AND PERFORMANCE

- A. In connection with Geographic Information System Services and Data Management, the Department does hereby retain the Vendor to furnish certain services, information, and items as described in Exhibit "A," attached hereto and made a part hereof.
- B. Before making any additions or deletions to the work described in this Agreement, and before undertaking any changes or revisions to such work, the parties shall negotiate any necessary cost changes and shall enter into an Amendment covering such work and compensation. Reference herein to this Agreement shall include any amendment(s).
- C. All tracings, plans, specifications, maps, computer files, and reports prepared or obtained under this Agreement, as well as all data collected, together with summaries and charts derived therefrom, shall be the exclusive property of the Department without restriction or limitation on their use and shall be made available, upon request, to the Department at any time during the performance of such services and/or upon completion or termination of this Agreement. Upon delivery to the Department of said document(s), the Department shall become the custodian thereof in accordance with Chapter 119, Florida Statutes. The Vendor shall not copyright any material and products or patent any invention developed under this Agreement. The Department shall have the right to visit the site for inspection of the work and the products of the Vendor at any time.
- D. All final plans, documents, reports, studies, and other data prepared by the Vendor shall bear the professional's seal/signature, in accordance with the applicable Florida Statutes, Administrative Rules promulgated by the Department of Business and Professional Regulation, and guidelines published by the Department, in effect at the time of execution of this Agreement. In the event that changes in the statutes or rules create a conflict with the requirements of published guidelines, requirements of the statutes and rules shall take precedence.
- E. The Vendor agrees to provide project schedule progress reports in a format acceptable to the Department and at intervals established by the Department. The Department shall be entitled at all times to be advised, at its request, as to the status of work being done by the Vendor and of the details thereof. Coordination shall be maintained by the Vendor with representatives of the Department, or of other agencies interested in the project on behalf of the Department. Either party to this Agreement may request and be granted a conference.
- F. All services shall be performed by the Vendor to the satisfaction of the Director who shall decide all questions, difficulties, and disputes of any nature whatsoever that may arise under or by reason of this Agreement, the prosecution and fulfillment of the services hereunder and the character, quality, amount of value thereof; and the decision upon all claims, questions, and disputes shall be final and binding upon the parties hereto. Adjustments of compensation and contract time because of any major changes in the work that may become necessary or desirable as the work progresses shall be subject to mutual agreement of the parties, and amendment(s) shall be entered into by the parties in accordance herewith.

Reference herein to the Director shall mean the

Director of Transportation Development

2. TERM

A Initial Term. This Agreement shall begin on date of execution and shall remain in full force and effect through completion of all services required or Three (3) years, whichever occurs first. Subsequent to the execution of this Agreement by both parties, the services to be rendered by the Vendor shall commence and be completed in accordance with the option selected below. (Select box and indicate date(s) as appropriate):

Services shall commence July 1, 2022 and shall be completed by June 30, 2025 or date of termination, whichever occurs first.

Services shall commence upon written notice from the Department's Contract Manager and shall be completed by _____ or date of termination, whichever occurs first.

Other: See Exhibit "A"

B. RENEWALS (Select appropriate box):

This Agreement may not be renewed.

This Agreement may be renewed for a period that may not exceed three (3) years or the term of the original contract, whichever is longer. Renewals are contingent upon satisfactory performance evaluations by the Department and subject to the availability of funds. Costs for renewal may not be charged. Any renewal or extension must be in writing and is subject to the same terms and conditions set forth in this Agreement and any written amendments signed by the parties.

C. EXTENSIONS. In the event that circumstances arise which make performance by the Vendor impracticable or impossible within the time allowed or which prevent a new contract from being executed, the Department, in its discretion, may grant an extension of this Agreement. Extension of this Agreement must be in writing for a period not to exceed six (6) months and is subject to the same terms and conditions set forth in this Agreement and any written amendments signed by the parties; provided the Department may, in its discretion, grant a proportional increase in the total dollar amount based on the method and rate established herein. There may be only one extension of this Agreement unless the failure to meet the criteria set forth in this Agreement for completion of this Agreement is due to events beyond the control of the Vendor.

It shall be the responsibility of the Vendor to ensure at all times that sufficient time remains in the Project Schedule within which to complete services on the project. In the event there have been delays which would affect the project completion date, the Vendor shall submit a written request to the Department which identifies the reason(s) for the delay and the amount of time related to each reason. The Department shall review the request and make a determination as to granting all or part of the requested extension.

3. COMPENSATION AND PAYMENT

A Payment shall be made only after receipt and approval of goods and services unless advance payments are authorized by the Chief Financial Officer of the State of Florida under Chapters 215 and 216, Florida Statutes. If the Department determines that the performance of the Vendor is unsatisfactory, the Department shall notify the Vendor of the deficiency to be corrected, which correction shall be made within a time-frame to be specified by the Department. The Vendor shall, within five days after notice from the Department, provide the Department with a corrective action plan describing how the Vendor will address all issues of contract non-performance, unacceptable performance, failure to meet the minimum performance levels, deliverable deficiencies, or contract non-compliance. If the corrective action plan is unacceptable to the Department, the Vendor shall be assessed a non-performance retainage equivalent to 10% of the total invoice amount. The retainage shall be applied to the invoice for the then-current billing period. The retainage shall be withheld until the vendor resolves the deficiency. If the deficiency is subsequently resolved, the Vendor will bill the Department for the retained amount during the next billing period. If the Vendor is unable to resolve the deficiency, the funds retained will be forfeited at the end of the agreement period.

- B. If this Agreement involves units of deliverables, then such units must be received and accepted in writing by the Contract Manager prior to payments.
- C. Bills for fees or other compensation for services or expenses shall be submitted in detail sufficient for a proper preaudit and postaudit thereof.
- D. The bills for any travel expenses, when authorized by terms of this Agreement and by the Department's Project Manager, shall be submitted on the Department's Travel Form No. 300-000-06 and will be paid in accordance with Section 112.061, F.S and the most current version of the Disbursement Handbook for Employees and Managers.
- E. Vendors providing goods and services to the Department should be aware of the following time frames. Upon receipt, the Department has five (5) working days to inspect and approve the goods and services, unless otherwise specified herein. The Department has twenty (20) days to deliver a request for payment (voucher) to the Department of Financial Services. The twenty (20) days are measured from the latter of the date the invoice is received or the goods or services are received, inspected and approved.
- F. If a payment is not available within forty (40) days, a separate interest penalty as established pursuant to Section 215.422, Florida Statutes, shall be due and payable, in addition to the invoice amount, to the Vendor. Interest penalties of less than one (1) dollar shall not be enforced unless the Vendor requests payment. Invoices which have to be returned to a Vendor because of Vendor preparation errors shall result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the Department.
- G. The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide eProcurement system. Pursuant to Section 287.057(22), Florida Statutes, all payments shall be assessed a transaction fee of one percent (1%), which the Vendor shall pay to the State. For payments within the State accounting system (FLAIR or its successor), the transaction fee shall, when possible, be automatically deducted from payments to the Vendor. If automatic deduction is not possible, the Vendor shall pay the transaction fee pursuant to Rule 60A-1.031 (2), Florida Administrative Code. By submission of these reports and corresponding payments, Vendor certifies their correctness. All such reports and payments shall be subject to audit by the State or its designee. The Vendor shall receive a credit for any transaction fee paid by the Vendor for the purchase of any item(s) if such item(s) are returned to the Vendor through no fault, act, or omission of the Vendor. Notwithstanding the foregoing, a transaction fee is non-refundable when an item is rejected or returned, or declined, due to the Vendor's failure to perform or comply with specifications or requirements of the Agreement. Failure to comply with these requirements shall constitute grounds for declaring the Vendor in default and recovering reprocurement costs from the Vendor in addition to all outstanding fees. **VENDORS DELINQUENT IN PAYING TRANSACTION FEES MAY BE EXCLUDED FROM CONDUCTING FUTURE BUSINESS WITH THE STATE.**
- H. A vendor ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for vendors who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850)413-5516.
- I. Records of costs incurred under terms of this Agreement shall be maintained and made available upon request to the Department at all times during the period of this Agreement and for three (3) years after final payment for the work pursuant to this Agreement is made. Copies of these documents and records shall be furnished to the Department upon request. Records of costs incurred shall include the Vendor's general accounting records and the project records, together with supporting documents and records of the Vendor and all subcontractors performing work on the project, and all other records of the Vendor and subcontractors considered necessary by the Department for a proper audit of project costs.
- J. The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making

of contracts for periods exceeding one (1) year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years. Accordingly, the Department's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature.

4. INDEMNITY AND PAYMENT FOR CLAIMS

- A. **INDEMNITY:** To the extent permitted by Florida Law, the Vendor shall indemnify and hold harmless the Department, its officers and employees from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by negligence, recklessness, or intentional wrongful misconduct of the Vendor and persons employed or utilized by the Vendor in the performance of this Agreement.

It is specifically agreed between the parties executing this Agreement that it is not intended by any of the provisions of any part of the Agreement to create in the public or any member thereof, a third party beneficiary hereunder, or to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement.

PAYMENT FOR CLAIMS: The Vendor guarantees the payment of all just claims for materials, supplies, tools, or labor and other just claims against the Vendor or any subcontractor, in connection with the Agreement. The Department's final acceptance and payment does not release the Vendor's bond until all such claims are paid or released.

- B. **LIABILITY INSURANCE.** (Select and complete as appropriate):

No general liability insurance is required.

The Vendor shall carry and keep in force during the term of this Agreement, a general liability insurance policy or policies with a company or companies authorized to do business in Florida, affording public liability insurance with a combined bodily injury limits of at least \$200,000.00 per person and \$300,000.00 each occurrence, and property damage insurance of at least \$200,000.00 each occurrence, for the services to be rendered in accordance with this Agreement

The Vendor shall have and maintain during the term of this Agreement, a professional liability insurance policy or policies or an irrevocable letter of credit established pursuant to Chapter 675 and Section 337.106, Florida Statutes, with a company or companies authorized to do business in the State of Florida, affording liability coverage for the professional services to be rendered in accordance with this Agreement in the amount of \$ ____.

- C. **WORKERS' COMPENSATION.** The Vendor shall also carry and keep in force Workers' Compensation insurance as required for the State of Florida under the Workers' Compensation Law.

- D. **PERFORMANCE AND PAYMENT BOND.** (Select as appropriate):

No Bond is required.

Prior to commencement of any services pursuant to this Agreement and at all times during the term hereof, including renewals and extensions, the Vendor will supply to the Department and keep in force a bond provided by a surety authorized to do business in the State of Florida, payable to the Department and conditioned for the prompt, faithful, and efficient performance of this Agreement according to the terms and conditions hereof and within the time periods specified herein, and for the prompt payment of all persons furnishing labor, materials, equipment, and supplies therefor.

- E. **CERTIFICATION.**

With respect to any general liability insurance policy required pursuant to this Agreement, all such policies shall be issued by companies licensed to do business in the State of Florida. The Vendor shall provide to the Department certificates showing the required coverage to be in effect with endorsements showing the Department to be an additional insured prior to commencing any work under this Contract. Policies that include Self Insured Retention (SIR) will not be accepted. The certificates and policies shall

provide that in the event of any material change in or cancellation of the policies reflecting the required coverage, thirty days advance notice shall be given to the Department or as provided in accordance with Florida law.

5. COMPLIANCE WITH LAWS

- A The Vendor shall comply with Chapter 119, Florida Statutes. Specifically, the Vendor shall:
- (1) Keep and maintain public records required by the Department to perform the service.
 - (2) Upon request from the Department's custodian of public records, provide the Department with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law.
 - (3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if the Vendor does not transfer the records to the Department.
 - (4) Upon completion of the Agreement, transfer, at no cost, to the Department, all public records in possession of the Vendor or keep and maintain public records required by the Department to perform the service. If the Vendor transfers all public records to the Department upon completion of the Agreement, the Vendor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Vendor keeps and maintains public records upon completion of the Agreement, the Vendor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Department, upon request from the Department's custodian of public records, in a format that is compatible with the information technology systems of the Department.

Failure by the Vendor to comply with Chapter 119, Florida Statutes, shall be grounds for immediate unilateral cancellation of this Agreement by the Department.

IF THE VENDOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE VENDOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

- B The Vendor agrees that it shall make no statements, press releases or publicity releases concerning this Agreement or its subject matter or otherwise discuss or permit to be disclosed or discussed any of the data or other information obtained or furnished in compliance with this Agreement, or any particulars thereof, during the period of the Agreement, without first notifying the Department's Contract Manager and securing prior written consent. The Vendor also agrees that it shall not publish, copyright, or patent any of the data developed under this Agreement, it being understood that such data or information are works made for hire and the property of the Department.

- C. The Vendor shall comply with all federal, state, and local laws and ordinances applicable to the work or payment for work thereof, and will not discriminate on the grounds of race, color, religion, sex, national origin, age, or disability in the performance of work under this Agreement.
- D. If the Vendor is licensed by the Department of Business and Professional Regulation to perform the services herein contracted, then Section 337.162, Florida Statutes, applies as follows:
- (1) If the Department has knowledge or reason to believe that any person has violated the provisions of state professional licensing laws or rules, it shall submit a complaint regarding the violations to the Department of Business and Professional Regulation. The complaint shall be confidential.
 - (2) Any person who is employed by the Department and who is licensed by the Department of Business and Professional Regulation and who, through the course of the person's employment, has knowledge to believe that any person has violated the provisions of state professional licensing laws or rules shall submit a complaint regarding the violations to the Department of Business and Professional Regulation. Failure to submit a complaint about the violations may be grounds for disciplinary action pursuant to Chapter 455, Florida Statutes, and the state licensing law applicable to that licensee. The complaint shall be confidential.
 - (3) Any complaints submitted to the Department of Business and Professional Regulation are confidential and exempt from Section 119.07(1), Florida Statutes, pursuant to Chapter 455, Florida Statutes, and applicable state law.
- E. The Vendor covenants and agrees that it and its employees and agents shall be bound by the standards of conduct provided in applicable law and applicable rules of the Board of Business and Professional Regulation as they relate to work performed under this Agreement. The Vendor further covenants and agrees that when a former state employee is employed by the Vendor, the Vendor shall require that strict adherence by the former state employee to Sections 112.313 and 112.3185, Florida Statutes, is a condition of employment for said former state employee. These statutes will by reference be made a part of this Agreement as though set forth in full. The Vendor agrees to incorporate the provisions of this paragraph in any subcontract into which it might enter with reference to the work performed pursuant to this Agreement.
- F. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids, proposals, or replies on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of thirty-six (36) months following the date of being placed on the convicted vendor list.
- G. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids, proposals, or replies on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity.
- H. The Department shall consider the employment by any vendor of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If the Vendor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this agreement.
- I. The Vendor agrees to comply with the Title VI Nondiscrimination Contract Provisions, Appendices A and E, available at <http://www.dot.state.fl.us/procurement/index.shtm>, incorporated herein by reference and made a part of this Agreement.
- J. Pursuant to Section 216.347, Florida Statutes, the vendor may not expend any State funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency.

- K Any intellectual property developed as a result of this Agreement will belong to and be the sole property of the State. This provision will survive the termination or expiration of the Agreement.
- L The Vendor agrees to comply with s.20.055(5), Florida Statutes, and to incorporate in all subcontracts the obligation to comply with s.20.055(5), Florida Statutes.

6. TERMINATION AND DEFAULT

- A This Agreement may be canceled by the Department in whole or in part at any time the interest of the Department requires such termination. The Department reserves the right to terminate or cancel this Agreement in the event an assignment be made for the benefit of creditors.
- B If the Department determines that the performance of the Vendor is not satisfactory, the Department shall have the option of (a) immediately terminating the Agreement, or (b) notifying the Vendor of the deficiency with a requirement that the deficiency be corrected within a specified time, otherwise the Agreement will be terminated at the end of such time, or (c) taking whatever action is deemed appropriate by the Department.
- C If the Department requires termination of the Agreement for reasons other than unsatisfactory performance of the Vendor, the Department shall notify the Vendor of such termination, with instructions as to the effective date of termination or specify the stage of work at which the Agreement is to be terminated.
- D If the Agreement is terminated before performance is completed, the Vendor shall be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed an amount which is the same percentage of the agreement price as the amount of work satisfactorily completed is a percentage of the total work called for by this Agreement. All work in progress shall become the property of the Department and shall be turned over promptly by the Vendor.
- E A Vendor is ineligible to enter into a contract with the Department for goods or services of any amount if, at the time of entering into such contract, the Vendor is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a boycott of Israel. Section 287.135, Florida Statutes, also prohibits companies from entering into a contract for goods or services of \$1 million or more that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector Lists which were created pursuant to s. 215.473, Florida Statutes. If the Department determines the Vendor submitted a false certification under Section 287.135 of the Florida Statutes, the Department shall either terminate the Contract after it has given the Vendor notice and an opportunity to demonstrate the Department's determination of false certification was in error pursuant to Section 287.135 of the Florida Statutes, or maintain the Contract if the conditions of Section 287.135 of the Florida Statutes are met.

7. ASSIGNMENT AND SUBCONTRACTS

- A The Vendor shall maintain an adequate and competent staff so as to enable the Vendor to timely perform under this Agreement and may associate with it such subcontractors, for the purpose of its services hereunder, without additional cost to the Department, other than those costs within the limits and terms of this Agreement. The Vendor is fully responsible for satisfactory completion of all subcontracted work. The Vendor, however, shall not sublet, assign, or transfer any work under this Agreement to other than subcontractors specified in the proposal, bid, and/or Agreement without the written consent of the Department.

8. MISCELLANEOUS

- A. The Vendor and its employees, agents, representatives, or subcontractors are not employees of the Department and are not entitled to the benefits of State of Florida employees. Except to the extent expressly authorized herein, Vendor and its employees, agents, representatives, or subcontractors are not agents of the Department or the State for any purpose or authority such as to bind or represent the interests thereof, and shall not represent that it is an agent or that it is acting on the behalf of the Department or the State. The Department shall not be bound by any unauthorized acts or conduct of the Vendor or its employees, agents, representatives, or subcontractors. Vendor agrees to include this provision in all its subcontracts under this Agreement.
- B. All words used herein in the singular form shall extend to and include the plural. All words used in the plural form shall extend to and include the singular. All words used in any gender shall extend to and include all genders.
- C. This Agreement embodies the whole agreement of the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Agreement shall supersede all previous communications, representations, or agreements, either verbal or written, between the parties hereto. The State of Florida terms and conditions, whether general or specific, shall take precedence over and supersede any inconsistent or conflicting provision in any attached terms and conditions of the Vendor.
- D. It is understood and agreed by the parties hereto that if any part, term or provision of this Agreement is by the courts held to be illegal or in conflict with any law of the State of Florida, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid.

- E This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.
- F In any legal action related to this Agreement, instituted by either party, the Vendor hereby waives any and all privileges and rights it may have under Chapter 47 and Section 337.19, Florida Statutes, relating to venue, as it now exists or may hereafter be amended, and any and all such privileges and rights it may have under any other statute, rule, or case law, including, but not limited to those grounded on convenience. Any such legal action may be brought in the appropriate Court in the county chosen by the Department and in the event that any such legal action is filed by the Vendor, the Vendor hereby consents to the transfer of venue to the county chosen by the Department upon the Department filing a motion requesting the same.
- G If this Agreement involves the purchase or maintenance of information technology as defined in Section 282.0041, Florida Statutes, the selected provisions of the attached Appendix II are made a part of this Agreement.
- H If this Agreement is the result of a formal solicitation (Invitation to Bid, Request for Proposal or Invitation to Negotiate), the Department of Management Services Forms PUR1000 and PUR1001, included in the solicitation, are incorporated herein by reference and made a part of this Agreement.
- I The Department may grant the Vendor's employees or subconsultants access to the Department's secure networks as part of the project. In the event such employees' or subconsultants' participation in the project is terminated or will be terminated, the Vendor shall notify the Department's project manager no later than the employees' or subconsultants' separation date from participation in the project or immediately upon the Vendor acquiring knowledge of such termination of employees' or subconsultants' participation in the project, whichever occurs later.
- J Vendor/Contractor:
1. shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Vendor/Contractor during the term of the contract; and
 2. shall expressly require any subcontractors performing work or providing services pursuant to the state contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term; and
 3. shall adhere to requirements in section 448.095, Florida Statutes.
- K Time is of the essence as to each and every obligation under this Agreement.
- L The following attachments are incorporated and made a part of this agreement:
- 1). Exhibit "A" Scope of Service
 - 2). Exhibit "B" Method of Compensation
 - 3). Attachment "A" Classification Requirements
 - 4). Exhibit "C" Price Proposal
- M Other Provisions:
