

ATTACHMENT B PRICE SHEET

This solicitation has an estimated annual spend of \$169,200, with a potential three-year spend of \$507,600 contingent on funding. The spend is for informational purposes only and should not be construed as representing actual, guaranteed, or minimum spend under a new contract.

Price Sheet Instructions:

1. The Bidder must submit a completed and signed Attachment B, Price Sheet, in accordance with the ITB. The pricing submitted below will be utilized for all purchase orders issued pursuant to this ITB.
2. The Bidder shall provide a fixed price in the cell highlighted in yellow. Failure to provide a price in the highlighted cell may result in the Bidder being deemed non-responsive. This pricing is all-inclusive (e.g., materials, examination fees, and vendor’s travel expenses), and materials must be based on the most current PMBOK® edition (which is currently the 7th edition). The pricing must be provided as a flat rate per class, and not provided as a range.
3. The Bidder is to use legible handwriting, if applicable, when completing the Price Sheet(s).
4. The price per class will be a flat rate, regardless of the Final Class Size, as defined in Attachment A, Scope of Work. The classes will not exceed thirty (30) students.
