The District recognizes fair and open competition as a basic tenet of public procurement. Respondents doing business with the District are prohibited from discriminating on the basis of race, color, creed, national origin, handicap, age, sex, or disability. The Contractor shall obtain all coverage as required by Florida law, including Workers Compensation and applicable professional liability

insurance. Additionally, the Contractor shall be insured as follows: General Liability, with limits not less than \$1,000,000 per occurrence; \$1,000,000 per occurrence for personal injury; and \$1,000,000 for property damage; Automobile Liability, with combined single limit of not less than \$1,000,000; Workers Compensation and Employers Liability, with limits not less than: Bodily Injury by Accident \$1,000,000 each accident; Bodily Injury by Disease \$1,000,000 policy limit; and Bodily Injury by Disease \$1,000,000 each employee.

Minor irregularities are defined as any deviation from a mandatory requirement of the ITB that, if waived, will not have an adverse effect on the District's interest and will not give a respondent an advantage or benefit not enjoyed by the other respondents. The District is not required to waive a minor irregularity and has the sole discretion to determine whether a minor irregularity should be waived.

### **1.27 COOPERATIVE PURCHASING**

Pursuant to their own governing laws, and subject to the agreement of the Contractor, other entities may be permitted to purchase eradication services at the terms and conditions contained herein. ## **PART 2**

### **SCOPE**

The District has identified 1,009 acres of sand pine to be removed for the purpose of developing a more open longleaf pine/wiregrass community. As part of the District's program to restore natural communities, offsite pine species must be managed and removed from upland areas that are being restored to longleaf pine and wiregrass. The offsite pine competes with the longleaf pine for nutrients and sunlight. Allowing these trees to remain on site will cause adverse competition for the longleaf pine trees and understory vegetation and would adversely impact the District's efforts to restore this natural community.

Please see the attached draft *"2021 Sand Pine Eradication Services Agreement"* for the complete Scope of Services, including all required operations, stand locations, specifications, schedules, instructions, and terms and conditions.

## Photographs of Existing Condition

Representative photographs of existing conditions for these stands are available on the District's website at [www.nfwwater.com](http://www.nfwwater.com) or upon request by contacting Tyler Macmillan at (850) 539-5999 or via e-mail [Tyler.Macmillan@nfwwater.com](mailto:Tyler.Macmillan@nfwwater.com) .

- A. Time is of the essence for each and every aspect of this Agreement. Where additional time is allowed to complete the Work, the new time limit shall also be of the essence. All provisions of this Agreement that by their nature extend beyond the Project Schedule (0.) shall survive termination or expiration of this Agreement.
- B. This Agreement is effective on the last date of execution by a party and shall remain in effect through the end of the Project Schedule.
- C. The Contractor shall proceed with the Work at such rate of progress to ensure full completion within the Project Schedule. It is expressly understood and agreed by and between the Contractor and the District that the Project Schedule is a reasonable amount of time in which to complete the Work, taking into consideration the average climatic and economic conditions and other factors prevailing in the locality of the Work.
- D. If the Contractor shall fail to complete Work within the Project Schedule, or extension of time granted by the District, then the Contractor shall be in default after the time stipulated in this Agreement and may forfeit the Performance Bond(s) required in SECTION 5.
- E. Project Schedule means the period that this Agreement remains in effect, specifically from ***date of execution through September 30, 2021.***

## **SECTION 7. FORCE MAJEURE AND DELAYS**

- A. Force Majeure. The Contractor shall not be liable for failure to carry out the terms of this Agreement to the extent such failure is due to a force majeure event, except for failures that could have been reasonably foreseen and guarded against so as to avoid or reduce the

adverse impact thereof. A force majeure event is hereby defined as any one of the following circumstances occurring after the date of this Agreement beyond the control of Contractor: (a) war, (b) flood, (c) earthquake, (d) fire, (e) severe wind storm, (f) acts of public disturbance, (g) quarantine restrictions, (h) epidemics, (i) strikes, (j) freight embargoes, or (k) sabotage. The times specified herein for performances include delays that can ordinarily be anticipated due to adverse weather conditions, which are not and shall not be deemed *force majeure* events. The District is not obligated to grant an extension of time due to adverse weather conditions unless the District determines in its sole discretion that such conditions rise to the level of a force majeure event.

- B. Delay.** The Contractor shall not be compensated for delays caused by Contractor's inefficiency, rework made necessary by Contractor's error, failure to perform the Work as scheduled, or any other corrective or productivity measures made necessary by errors, omissions, or failures to properly perform the Work. Within ten (10) days after the onset of a delay, Contractor shall notify the District in writing of the delay, which shall provide: (a) a detailed description of the delay and its probable duration, (b) the specified portion of the Work affected, and (c) the Contractor's opinion as to the cause of the delay and liability (if any) for the delay. Notices provided more than ten (10) days after the inception of the delay shall only be effective as to additional costs or delay incurred during the ten-day period preceding receipt of such notice. In the case of a continuing delay for the same cause, only one (1) notice of delay is necessary. Failure to provide this notice waives any claim for extension of time or additional compensation resulting from such delay. If the delay is due to the failure of another District Contractor to complete its Work in a timely manner, changes ordered in the Work, a force majeure event, or any other cause which the District, in its sole judgment and discretion, determines to justify the delay, then this Agreement may be extended as necessary to compensate for the delay. All time extensions shall be in the form of a written amendment signed by both parties.

This SECTION 11 does not preclude any party from seeking relief by filing a petition for administrative hearing pursuant to Chapter 120, Florida Statutes, where applicable.
- B.** If the Contractor fails to fulfill its obligations in a timely and proper manner under this Agreement, or if the Contractor violates any of the covenants, agreements, or stipulations of this Agreement, the District has the right to terminate this Agreement. Upon notice of intent to terminate this Agreement by the District, the Contractor will have a contract resolution period not to exceed thirty (30)

days to resolve deficiencies, disputes or other contract issues to the District's satisfaction before the termination is final. During this resolution period the Contractor will not initiate any Work requiring additional compensation without written approval by the District.

Upon receipt of such notice, the Contractor shall, unless the notice directs otherwise, immediately discontinue the Work and procurement for all materials and services in connection with the performance of this Agreement.

In the event the District terminates this Agreement, other than for breach by the Contractor, the Contractor shall be compensated for Work completed as of the date of termination and for any irrevocable commitments for procurement for materials or services made by the Contractor as of the date of termination; provided, however, that the Contractor agrees that it will make no such commitments prior to receiving written approval from the District.
