#### Instructions

#### 1. The Respondent is <u>not</u> required to Reply to all Regions.

2. For each Region to which the Respondent replies, the Respondent is required to submit pricing for all items highlighted in yellow.

3. The Department will not consider or evaluate any Reply for a Region that fails to provide pricing for both the Initial Term and Renewal Term.

4. All prices must be in U.S. Dollars (\$USD; e.g., \$15.00, \$15.50), and price ranges will not be accepted. Prices must be completed to two decimal places; amounts cannot include fractions of cents (e.g., \$0.005).

5. The Cost Reply establishes pricing for the initial term of the Contract and any renewals. The Respondent shall not exceed this pricing when providing Custodial Services under any resultant contract. (Note: If the Respondent is awarded a Contract, and if adjustments to the pricing are approved during the renewal period in accordance with the Pricing Adjustments section of the Scope of Work, the Contract will be amended to reflect the updated Price Sheet(s).)

6. All prices shall be based on meeting or exceeding the requirements contained in the Contract, including the Scope of Work.
