The plan is required to be submitted in the CBC Financial Application.

F-1.10.2. Following the end of any State Fiscal Year, the Department will identify the amount of unexpended state funds. The Lead Agency will document any unexpended state funds from the prior fiscal year and include State Funds Carry Forward Expenditures on the Community Based Care (CBC) Monthly Actual Expenditure Report in the CBC Financial Application to account for those expenditures when requesting payment.

F-1.11. CBC Annual Budget and Quarterly Budget Projections

F-1.11.1. The budgeted amount for each fiscal year in Section F-1.1 must be equivalent to the amount identified in the Schedule of Funds for that fiscal year (Exhibit F1). A new "CBC Annual Budget by Service Category" Form (Attachment 1) must be submitted by the date for the next payment request following any amendment that revises the Schedule of Funds (Exhibit F1) or as requested by the Department. Any revisions made to the "CBC Annual Budget by Service Category" shall be subject to Department approval. The Department will review and provide any comments within 15 business days of submission. Any budget revisions as required by the Department are to be submitted to the Department's CM within 10 business days of receipt of the Department's comments. Failure to submit an adjusted budget by the date for the next payment following an executed amendment that revises the

Schedule of Funds (Exhibit F1) will result in no further payments being made until an adjusted budget is submitted to the Department.

F-1.11.2. The Lead Agency shall post on its website budget and related information as required by s. 409.988(1)(d), F.S., in accordance with guidance provided by the Department that specifies the requirements for the display and detail of this information.

Expenditure documentation includes, but is not limited to, those expenditures that are allowable as authorized in s. 409.992, F.S., and the Department of Financial Services' Reference Guide for State Expenditures (Attachment 1).

F-1.13. Match Requirements

F-1.13.1. To receive any Promoting Safe and Stable Families (PSSF) grant dollars, the Lead Agency is responsible for a minimum local community match equal to 25% of the funds expended for this program. The Lead Agency shall identify how the local match requirement will be met. Allowable match can be in-kind or cash, but the expenditure or use of such match must directly support the PSSF Program through the delivery of family preservation, family support services, time-limited family reunification, and adoption promotion and support services. The Lead Agency must document the receipt and expenditure of the required match during each state fiscal year. A monthly match report, which identifies the amount and type of match contributed and expended, must document the services the match supported.

F-1.13.2. For the Lead Agency receiving Access and Visitation Grant Funds, the Lead Agency will document the proper expenditures and required 10% local community match for the Access and Visitation Grant. A monthly match report, which identifies the amount and type of match contributed and expended, must document the services the match supported.

F-1.13.3. The Lead Agency shall maintain such records and provide such reports as necessary to comply with 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. A list of citations with brief explanations is provided in the Federal Uniform Grant Guidance (Attachment 1).

F-1.14. Renegotiation

Pursuant to the provisions of s. 409.990(2) and (3), F.S., this Contract may be renegotiated to increase the contract amount for additional budget authority supported by excess federal earnings, for additional budget authority appropriated by the Legislature and for any additional program specific funds that are appropriated to the Department for the Lead Agency. Such increases do not require a corresponding increase in service as the Lead Agency is required to provide a comprehensive continuum of child welfare services to all clients. Any renegotiation to the terms of this Contract shall be documented via contract amendment.

F-1.15. Full Compensation

This fixed payment Contract entitles the Lead Agency to receive full compensation for the state-funded portion of the fixed contract amount upon completion of all contract deliverables.

F-1.16. Federal or State Audit

The amount of disallowance caused by the Lead Agency's failure to comply with state or federal regulations or the amount of any incorrect claim discovered in any federal or state audit shall be repaid to the Department by the Lead Agency upon discovery unless the Lead Agency can demonstrate a specific reliance on technical assistance from the Department. Prior to such consideration, the Lead Agency must be able to demonstrate that the request for technical assistance was made in writing as a formal request for technical assistance through the appropriate CM, the technical assistance was provided in writing and the technical assistance was the direct cause of the disallowance.

F-1.17. Fees

No fees shall be imposed by the Lead Agency or subcontractors other than those set by the Department.

ATTACHMENT 3 - CHILDREN'S LEGAL SERVICES

For purposes of this Agreement only, Children's Legal Services within the Department of Children and Families, the Office of the Attorney General, and the State Attorney's Office will be collectively referred to herein as "CLS." Both the Lead Agency and the case management subcontractors are collectively referred to herein as "Lead Agency."

The Lead Agency and CLS agree to and acknowledge the following:

1. CLS will be responsible for all legal services to be performed on behalf of the Department of Children and Families in all juvenile dependency and termination of parental rights proceedings governed by Chapter 39, F.S., the Florida Rules of Juvenile Procedure, or otherwise properly heard in dependency court as well as all proceedings pursuant to the Florida Rules of Appellate Procedure, including, but not limited to: shelter hearings, mediation, adjudicatory hearings, motions pertaining to care, placement, medication, modification of placements, protective supervision, foster care, case planning, judicial reviews, termination of parental rights and appeals of cases brought pursuant to Chapter 39, F.S.
2. All documents prepared and kept by the Lead Agency must be made available at the request of CLS, within one business day. The request may be made in either written or oral form. No subpoena shall be required.
3. Prior to each court hearing, the CLS attorney and case manager must confer on any case to be heard in court. For dependency and termination of parental rights adjudicatory hearings, the CLS attorney and case manager must confer no later than 5 days before the hearing. For judicial review hearings, the CLS attorney and case manager must confer no later than 3 days before the hearing provided that CLS receives from the case manager the Judicial Review Social Study Report ten (10) business days prior to hearing, as outlined in paragraph 7 below. For all other court hearings not scheduled on an emergency basis, the CLS attorney and case manager must confer no later than 2 days before the hearing. The CLS attorney and case manager will together prepare for court and will pursue all opportunities to form a unified position that is in the child's best interest and consistent with Florida law. In the event a unified position is not achieved, escalation is required and shall include CLS Management, Department Management designated by the Regional Managing Director in the region where the case derives, and Lead Agency Management.
4. CLS does not provide legal representation to the Lead Agency or any of its employees for any legal action, but rather relies on and works in collaboration with the Lead Agency and case management staff.
5. Reasonable written notification (including electronic mail) to any Lead Agency employee shall suffice to mandate the employee's presence at any dependency or termination of parental rights court proceeding. CLS's issuance of a subpoena shall not be a prerequisite to obtain the appearance of a Lead Agency employee at such a proceeding.
6. The Lead Agency and CLS shall divide the payment for, and provision of, the below items as follows:
 - 6.1. Diligent Searches (Lead Agency).
 - 6.2. Document Translations (Legal pleading by CLS, the remainder by Lead Agency)
 - 6.3. Paternity Testing Services (Lead Agency)
 - 6.4. Professional/Expert Witnesses (Lead Agency for hearings related to placements in

residential mental health treatment facilities, as well as for assessments and services via the Lead Agency, such as those for case plan and case plan related tasks, and the remainder by CLS).

- 6.5. Depositions (including transcriptions) (CLS)
- 6.6. Service of Process (Summons and Subpoena) on all witnesses, parties and other participants as determined by CLS, the court or statute (in state, out of state and out of country) (CLS)
- 6.7. Publications (Lead Agency)
- 6.8. Court Records (Including transcripts from evidentiary hearings and trials) (CLS), unless requested solely for the Lead Agency's purposes.
- 6.9. Lab fees (Lead Agency)
- 6.10. Birth, Death, and Marriage Certificates (Lead Agency)
- 6.11. Home Studies (Lead Agency)
- 6.12. Documentation Physical and psychological/psychiatric evaluations including but not limited to CBHAs and behavioral evaluations (Lead Agency)

7. All documents requested by CLS and prepared by the Lead Agency, including, but not limited to Judicial Review Social Study Report (JRSSRs), Pre-Disposition Studies, Family Assessments, Case Plans, Referrals, Status Reports, Permanency Goal Changes and Reports and Home Studies, shall be in compliance with Chapter 39, F.S., and the Juvenile Rules of Procedure, and shall be fully completed at least ten (10) business days prior to hearing for consideration and/or filing. CLS shall file all timely received applicable documents within the statutorily prescribed filing deadline or within a reasonable time if no deadline is specified.

8. CLS shall upload legal documentation that establishes initial Title IV-E eligibility into the Legal Record for the case in the Florida Safe Families Network (FSFN) within 2 business days of the order becoming available. The documentation shall be a digital copy of a signed and entered court order that documents the first court determination concerning the removal of a child from the home. The Lead Agency shall identify and notify CLS of the need for court orders that support a redetermination of IV-E eligibility. The Lead Agency, or CLS if the Lead Agency does not have access to the order, shall upload the court order that supports a redetermination into the Legal Record for the case in FSFN within a reasonable time after a digital copy of the order becomes available. The Lead Agency must upload case plans and the signature page of case plans and associate them to the case plan Legal Document record in FSFN.

9. The Lead Agency shall submit to CLS any additions or updates to its file in an ongoing fashion throughout all stages of dependency and termination of parental rights cases. All such updates can be provided electronically through email or other correspondence. The Lead Agency shall immediately notify CLS of any discovery request pertaining to a dependency or termination of parental rights proceeding made to the Lead Agency for any information or materials maintained by the Lead Agency, and CLS shall comply with all discovery requests.

10. The Lead Agency shall be responsible for ensuring the assigned CLS attorney receives timely copies of all reports, narratives, studies, CPT reports and materials, psychological and psychiatric reports, correspondence, multidisciplinary reports, notices and accountings concerning Client Trust Funds as required by Florida law, and copies of any and all other documents of whatever nature resulting from or relating to the cases and investigation(s) which are the subject matter of each file. Timely receipt in this context shall mean on or before the time requirements contained in this Attachment, Chapter 39, F.S., the Juvenile Rules of Procedure, and the Florida Administrative Code.

11. CLS and the Lead Agency will work as expeditiously as possible to ensure the best interests of the child are paramount. When relief is sought under emergency circumstances, the Lead Agency will provide CLS with any evidence reasonably available to the Lead Agency for CLS to advocate for or defend against the relief requested. CLS and the Lead Agency also recognize that motions for return to the home because conditions for return have been met, modification of placement, travel requests, passport requests, or removal of the disability of nonage may require expedited action to promote the welfare of the child. CLS will file such a motion in an expedited fashion when a Lead Agency requests the filing of such a motion, so long as the Lead Agency provides CLS with the evidentiary support to advocate for the relief requested, and Florida law supports the filing.

12. The Lead Agency shall maintain the confidentiality of CLS's legal opinions, mental impressions, conclusions or theories regarding litigation and commentary regarding litigation provided that doing so does not violate a court order requiring disclosure or existing state or federal law. CLS shall maintain the confidentiality of communications with the Lead Agency when doing so does not violate a court order requiring disclosure or existing state or federal law.

To the extent possible, all case planning and permanency staffings should be inclusive of the family and be scheduled in accordance with the necessary parties' availability. The Lead Agency shall ensure the assigned CLS attorney receives reasonable advance notice.

13. In non-emergency situations, CLS shall provide reasonable notice to the lead agency of upcoming hearing dates in each dependency case. CLS's obligation to provide such notice will be satisfied if the Lead Agency is present at a hearing during which the court announces the next hearing date, CLS provides the case manager with a copy of an order setting the next hearing date within five (5) days of the issuance of the order, or CLS otherwise provides notice to the case manager assigned to the case. The Lead Agency and CLS shall ensure all employees arrive promptly and are prepared for all court hearings. The use of case managers and/or CLS attorneys not assigned to a case for courtroom appearances is strongly discouraged. Proper courtroom attire is mandatory. On a mutually agreed upon schedule, CLS and the Lead Agency will jointly train all employees and case management subcontractors on courtroom procedure, courtroom etiquette, and witness testimony.

14. The Lead Agency shall collaborate with CLS to prepare petitions for shelter, petitions for dependency, petitions for the termination of parental rights, and any other document CLS deems necessary for filing in a Chapter 39, F.S., proceeding. When the Lead Agency has knowledge of the facts alleged in the petition or filing, the Lead Agency will execute an oath as to its knowledge or will otherwise work cooperatively with CLS to ensure all statutory requirements of Chapter 39, F.S., are satisfied.

15. Prior to any request for CLS to prepare a motion and order for extraordinary medical care and treatment, such as prescribing psychotropic medication, the Lead Agency shall use all reasonable efforts to assist the prescribing physician in obtaining written express and informed consent for the provision of the required psychotropic medication or treatment from the parent or legal custodian.

16. CLS will ensure all court orders are provided to the Lead Agency timely so the Lead Agency is aware of what has been ordered by the Court. If permitted by the court, the local rules, and Florida Rules of Procedure, CLS will support the Lead Agency's request to be added to the list of service recipients to receive any court orders that are electronically served. In the event the Lead Agency determines it is unable to comply with a court order, the Lead Agency shall immediately provide written notification to the CLS attorney with a detailed written explanation as to why the Lead Agency is unable to comply. As a courtesy and at the request of the Lead Agency, CLS may notify the court of

the Lead Agency's inability to comply and request adequate relief or stay from the court if CLS is of the legal opinion that the circumstances justify such relief or stay. If CLS deems it necessary, a representative of the Lead Agency will be available to testify to the Lead Agency's inability to comply with the court order or to prepare and execute an affidavit of such inability.

17. The Lead Agency shall provide CLS with the physical address for all known parents and shall be responsible for attesting to the completed Diligent Search Affidavit. The Lead Agency shall conduct all such diligent searches in an ongoing fashion to locate and identify any missing parent(s) and the diligent search efforts shall continue until excused by the court or by Chapter 39, F.S.

18. To expedite adoptions, CLS and the Lead Agency will work together and share all necessary information regarding the status of all adoptions. The Lead Agency shall be responsible for meeting all requirements regarding adoptions as set forth in Chapter 63, F.S., as well as any other CLS requirements.

19. Whenever it appears that a child in out-of-home care has a possible need for attorney representation in a specific legal issue outside the scope of the dependency system or pursuant to s. 39.01305, F.S., the Lead Agency shall work together with CLS to identify and assess the legal need in a timely fashion to protect the child's legal rights prior to the expiration of any deadline imposed by a notice, summons or other document provided to the child or the child's caretaker or case manager. Examples of potential legal needs include, but are not limited to: children with special needs (residential treatment, skilled nursing, victim of human trafficking, developmental disabilities or psychotropic medication), education, school discipline, special education, Social Security (including denial or termination of benefits and overpayments), personal injuries and medical malpractice, juvenile delinquency, adult arrests and/or prosecutions, life insurance and probate matters, Medicaid coverage and services denials. When made aware of the issue, CLS will, through contacts with legal aid services, help provide the child with access to a pro bono attorney to represent the child in the matter identified.

20. CLS and the Lead Agency will share all available information related to a delinquency proceeding concerning a dependent child and will partner to comply with any court order directed to the Department of Children and Families.

In the event a Memorandum of Understanding or other agreement setting forth obligations between CLS and the Lead Agency exists and contradicts this Contract in any way, the terms and conditions of this Contract shall govern.

By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures deemed appropriate by the Department. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Department's inspector general, the state's Chief Financial Officer or the Auditor General.

In the event the recipient expends less than \$750,000 in Federal awards during its fiscal year, the recipient agrees to provide certification to the Department's Single Audit Unit and its contract manager that a single audit was not required. In determining the Federal awards expended during its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Children & Families, Federal government (direct), other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

In connection with the audit requirements addressed in the preceding paragraph, the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes.
