The written policy and information required in this section shall also be subject to immediate disclosure upon written or oral demand at any time by the Department or its designated agents or auditors.

Failure to compile, retain, and disclose the written policy and information as required in this section shall be considered a breach of the Contract. The resulting damages to the Department from a breach of this section are by their nature impossible to ascertain presently and will be difficult to ascertain in the future. The issues involved

in determining such damages will be numerous, complex, and unreasonably burdensome to prove. The Parties acknowledge that these financial consequences are liquidated damages, exclusive of any other right to damages, not intended to be a penalty, and solely intended to compensate for unknown and unascertainable damages. The Contractor therefore agrees to credit the Department the sum of \$5,000 per event, for each breach of this section.

- (a) result in immediate and irreparable harm to the Department, entitling the Department to immediate injunctive relief, provided, however, this shall not constitute an admission by the Contractor to any liability for damages under subsection (c) below or any claims, liability, or damages to a third party, and is without prejudice to the Contractor in defending such claims.
- (b) entitle the Department to a credit of \$50,000 per violation, with a cumulative total cap of \$500,000 per event. This credit is intended only to cover the Department's internal staffing and administrative costs of investigations and audits of the transmittal of State of Florida Data outside the U.S.
- (c) entitle the Department to recover damages, if any, arising from a breach of this section and beyond those covered under subsection (b).
- (d) constitute an Event of Default not subject to the dispute resolution provisions in section 11.7 ("Dispute Resolution, Governing Law and Venue") of this Contract. The credits in subsection (b) are a reasonable approximation of the internal costs for investigations and audits from a violation.

The credits in subsection (b) are a reasonable approximation of the internal costs for investigations and audits from a violation. The credits are in the nature of liquidated damages and not intended to be a penalty on the Contractor. By executing this Contract, Contractor acknowledges and agrees the costs intended to be covered by subsection (b) are not readily ascertainable and will be difficult to prove. Contractor agrees that it will not argue, and is estopped from arguing, that such costs are a penalty or otherwise unenforceable. For purposes of determining the amount of credits due hereunder, a group of violations relating to a common set of operative facts (e.g., same location, same time period, same offshore entity) shall be treated as a single violation. The credits will be paid to the Department as prescribed by the Department, and are exclusive of any other right to damages.

4.2.5.1 Contractor's Responsibility to Notify Department

For purposes of sections 4.2.5.1 through 4.2.5.3, the following definitions apply:

“Breach” means a confirmed event that compromises the confidentiality, integrity, or availability of information or State of Florida Data, or unauthorized access of State of Florida Data in electronic form containing personal information. Additional requirements related to breaches of HIPAA information are covered in Attachment F: Privacy, Security, and Confidentiality Business Associate Agreement.

“Incident” means a violation or imminent threat of violation, whether such violation is accidental or deliberate, of information technology security policies, acceptable use policies, or standard security practices. An imminent threat of violation refers to a situation in which the state agency has a factual basis for believing that a specific incident is about to occur.

Notwithstanding any provision of this Contract to the contrary, the Contractor shall notify the Department as soon as possible and in all events immediately upon discovering any Breach or Incident regarding State of Florida Data; any unauthorized access of State of Florida Data (even by persons or companies with authorized access for other purposes); any unauthorized transmission of State of Florida Data; or any credible allegation or suspicion of a material violation of the above. This notification is required whether the event affects one Participant or the entire population. The notification shall be clear and conspicuous and include a description of the following:

- (a) The incident in general terms.
- (b) The type of personal information that was subject to the unauthorized Access and acquisition.
- (c) The number of individuals who were, or potentially have been, affected by the Breach or Incident.
- (d) The actions taken by the Contractor to protect the State of Florida Data information from further unauthorized Access. However, the description of those actions in the written notice may be general so as not to further increase the risk or severity of the Breach.

Upon becoming aware of an alleged Breach or Incident, the Contractor shall set up a conference call (via a telephone call and email) with the Department’s Contract Manager and any necessary parties. The conference call invitation shall contain a brief description of the nature of the event. When possible, a thirty (30) minute notice shall be given to allow Department personnel to be available for the call. If the designated time is not practical for the Department, an alternate time for the call shall be scheduled. All available information shall be shared on the call. The Contractor shall answer all questions based on the information known at that time and shall answer additional questions as additional information becomes known. The Contractor shall provide the Department with final documentation of the incident including all actions that took place. If the Contractor becomes aware of a Breach or Incident outside of normal business hours, the Contractor shall notify the Department’s Contract Manager as soon as possible, and in all events, within twenty-four (24) hours.

The Contractor’s failure to perform the obligations in this section shall also be an Event of Default, and will entitle the Department to recover any other damages it incurs arising from a failure to perform the obligations in this section (including any actual out-of-pocket expenses incurred by the Department to investigate and remediate the violation) and/or to pursue injunctive relief.

4.2.5.2 Contractor's Responsibility to Notify Participants

The Contractor shall pay all costs to notify all Participants whose information was contained in the State of Florida Data that was accessed in the Breach, unauthorized access or transmission caused by the Contractor its Subcontractors no later than thirty (30) Calendar Days after the determination of a Breach or reason to believe a Breach occurred. If the Contractor cannot identify the specific persons whose data may have been accessed, such notice shall be provided to all persons whose data reasonably may have been accessed. Nothing in this section will alter or replace the application of section 501.171, Florida Statutes, as to the Contractor's obligations and liability for Breaches concerning personal information.

4.2.5.3 Credit Monitoring and Notification

The Service Provider shall include credit monitoring services at its own cost for those Participants affected or potentially affected by an alleged Breach for no less than a period of one (1) year following the Breach.

The Contractor shall provide the Department of Legal Affairs written notice of a Breach that affects five hundred (500) or more Participants as soon as practicable, or within thirty (30) Calendar Days of the Breach. The Contractor shall provide the Department a copy of the written notice to the Department of Legal Affairs. If a Breach impacts more than one thousand (1,000) Participants at a single time, the Contractor shall notify, without unreasonable delay, all consumer reporting agencies that compile and maintain files on consumers on a nationwide basis, as defined in the Fair Credit Reporting Act, 15 U.S. Code Section 1681a (p), of the timing, distribution, and content of the notices required pursuant to sections 4.2.5.1 ("Contractor's Responsibility to Notify Department") and 4.2.5.2 ("Contractor's Responsibility to Notify Participants") of this Contract.

4.2.6 E-Verify

The Contractor (and its subcontractors) have an obligation to utilize the U.S. Department of Homeland Security's (DHS) E-Verify system for all newly hired employees. By executing this Contract, the Contractor certifies that it is registered with, and uses, the E-Verify system for all newly hired employees. The Contractor must obtain an affidavit from its subcontractors in accordance with paragraph (2)(b) of section 448.095, Florida Statutes, and maintain a copy of such affidavit for the duration of the Contract. In order to implement this provision, the Contractor shall provide a copy of its DHS Memorandum of Understanding (MOU) to the Contract Manager within five (5) days of Contract execution. Upon each Contractor or subcontractor new hire, the Contractor must provide a statement within five (5) Calendar Days to the Contract Manager identifying the new hire with its E-Verify case number.

This section serves as notice to the Contractor regarding the requirements of section 448.095, Florida Statutes, specifically sub-paragraph (2)(c)1, and the Department's obligation to terminate the Contract if it has a good faith belief that the Contractor has knowingly violated section 448.09(1), Florida Statutes. If terminated for such reason, the Contractor will not be eligible for award of a public contract for at least one year after the date of such termination. The Department reserves the right to order the immediate termination of any contract between the Contractor and a subcontractor performing work on its behalf should the Department develop a good faith belief that the subcontractor has knowingly violated section 448.09(1), Florida Statutes.

4.2.7 Scrutinized Companies – Termination by the Department

The Department may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), Florida Statutes; been placed on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or the Scrutinized Companies that Boycott Israel List; been engaged in business operations in Cuba or Syria; or been engaged in a boycott of Israel.

4.2.8 Removal or Replacement of Employees and Subcontractors for Cause

The Department may refuse access to or require replacement of any Contractor, employee, Subcontractor or Subcontractor employee, or agent for cause, including, but not limited to, technical or training qualifications, quality of work, change in security status, or noncompliance with the Department's security or other requirements. Such action shall not relieve Contractor of its obligation to perform all work in compliance with the Contract. The Department may reject and bar from any facility for cause any of Contractor's employees, Subcontractors or Subcontractor employees, or agents.

4.2.9 Employment of State Workers

During the term of the Contract, Contractor shall not knowingly employ, subcontract with, or sub-grant to any person (including any non-governmental entity in which such person has any employment or other material interest as defined by section 112.312(15), Florida Statutes) who is employed by the State or who has participated in the management or procurement of this Contract, except as provided in section 112.3185, Florida Statutes.

4.3 Acceptance of Deliverables

The Department will conduct its acceptance review in a manner so as to identify whether the Deliverables fail to conform to the Contract. The Department shall notify the Contractor in writing of failures of a Deliverable to conform to the Contract and specify how the Deliverable failed to meet the requirements of the Contract. Within five (5) Business Days of such notice, Contractor will give written notice of one of the following:

- The correction of the nonconformity and the details of the correction;
- A written corrective action plan for correcting the nonconformity; or
- Its disagreement as to the nature or scope of the nonconformity and the reasons therefore.

The Department will either accept or reject the Contractor's reply (with or without modifications from the Department) and provide notice of the Department's decision and proposed remedy, if any.

4.4 Warranty

Generally: Contractor warrants that the Services shall be delivered in a professional workman-like manner in accordance with the standards and quality prevailing among first-rate nationally recognized firms in the industry and in accordance with this Contract and this warranty will remain in effect for a period of three hundred, sixty-five (365) Calendar Days following delivery of the Services ("Warranty Period").

Remedies: In the event that the Department discovers that the Services are not delivered in accordance with the foregoing warranties during the Warranty Period, the Department will provide notice to the Contractor, and the Contractor will promptly correct, cure, replace, or otherwise remedy such performance at no cost to the Department.

This section shall survive termination of this Contract.

Section 5 AUDIT RIGHTS

The Department has the right to conduct performance and/or compliance audits of any and all areas of the Contractor and/or Subcontractors activities related to this Contract. The Department may at any time enter and inspect the Contractor's physical facilities where operations required under this Contract are performed, within reasonable notice. Except in emergency situations, reasonable notice will be provided for audits conducted at Contractor's premises, which notice will not be less than 10 (ten) Business Days. Audits may include, but not be limited to, audits of procedures, computer systems, claims files, provider contracts, service records, accounting records, internal audits, quality control assessments, and any and all applicable provider contracts, including contracts with pharmaceutical manufacturers, and service programs related to this Contract. Contractor will cooperate and work with any representatives selected by the Department to conduct said audits and inspections, including but not limited to, other state agencies. The Contractor will make available all data and information requested by the Department in furtherance of any audit. Prior to the commencement of this audit, the Contractor may request to enter into a mutually agreeable confidentiality agreement with any third-party auditor. However, no such agreement shall limit the Department's access to this audit report or any other document, and must be consistent with section 11.4 of this Contract, Article 1, section 24 of the Florida Constitution, and Chapter 119, Florida Statutes.

The Contractor recognizes and acknowledges that release statements from its healthcare providers are not required for the Department or its' designee to conduct compliance and performance audits on any of the Contractor's contracts relating to this Contract.

The right of the Department to perform audits and inspections will survive the expiration or termination of this Contract. The Department will use reasonable efforts to minimize the number and duration of such audits or inspections conducted and to conduct such audits and inspections in a manner that minimizes disruption to Contractor's business operations.

This provision does not operate to limit the rights of the Inspector General (as required by section 20.055, Florida Statutes) or other state agencies or officers, such as the state's Chief Financial Officer and the Office of the Auditor General, to perform audits and inspections. Contractor shall be responsible for any taxes or any other liabilities imposed as a result of such audits and inspections. The Department will be responsible for the independent third-party auditor costs associated with any audit performed.

Any disputes regarding the audit findings of the Department or its designated auditor shall be resolved in accordance with section 10.7 (Dispute Resolution, Governing Law and Venue) of this Contract.

Section 6 DIVERSITY

It is the policy of the State that Minority Business Enterprises, Woman-Owned Business Enterprises, and Service-Disabled Veteran Business Enterprises (as those terms are defined by Florida Statutes), have the maximum practicable opportunity to participate in performing contracts let by any State agency. Contractor will carry out this policy in the awarding of subcontracts to the fullest extent consistent with efficient Contract performance by reasonably considering such business enterprises as Subcontractors for the Services. Contractor further agrees to comply with all controlling laws and regulations respecting the participation of such business enterprises in the provision of the Services and to reasonably cooperate in any studies or surveys as may be conducted by the State to determine the extent of Contractor's compliance with this section.

Section 7 LIQUIDATED DAMAGES

7.1 Generally

Time is of the essence in performing the Contract; this is true generally and particularly with respect to meeting the Performance Guarantees set forth in Attachment E – Performance Guarantees. Contractor acknowledges that untimely performance or other material noncompliance will damage the Department, but by their nature such damages are impossible to ascertain presently and will be difficult to ascertain in the future. The issues involved in determining the amount of damages will be multiple and complex, and will be dependent on many and variant factors, proof of which would be burdensome and require lengthy and expensive litigation, which the Parties desire to avoid. Accordingly, the Parties agree that it is in the Parties' best interests to agree upon a reasonable amount of liquidated damages, which are not intended to be a penalty and are solely intended to compensate for unknown and unascertainable damages. The Parties acknowledge that liquidated damages are contemplated by section 110.123(3)(d)3, Florida Statutes.

7.2 Failure to Meet Performance Guarantees

- a. Contractor agrees to payment of additional liquidated damages in the form of Performance Guarantees if it fails to meet the performance standards set forth within Attachment E - Performance Guarantees.
- b. Liquidated damages are intended only to cover the Department's internal staffing and administrative costs and the diminished value of the Services provided under the Contract. In accepting any form of liquidated damages, the Department does not waive its right to pursue other remedies provided for under this Contract for other breaches.
- c. Notwithstanding anything in the Contract to the contrary, the total of any and all liquidated damages paid or to be paid by Contractor pursuant to this Contract for any calendar quarter will not exceed one hundred percent (100%) of the payment due under section 3.8 above.
- d. Upon mutual agreement of the Parties, Performance Guarantees may be suspended from time to time for special circumstances. Suspension of a Performance Guarantee will not excuse Contractor from accumulating data relevant to that Performance Guarantee and reporting such data to the Department as part of the management reports delivered pursuant to this Contract.
- e. Contractor will provide the Department with a Performance Standards Guarantee Report for all Performance Guarantees prescribed by Attachment E - Performance Guarantees, on a quarterly basis. The Department may, at its option, provide Contractor with a Performance Guarantee report template, which must be used. For each Performance Guarantee that the Contractor fails to meet, based on the Performance Standards Guarantee Report, the Contractor will provide appropriate payment to the Department within forty-five (45) Calendar Days of the end of the reporting quarter. The Department is not required to notice or invoice the Contractor for payment.
- f. The Department may require the Contractor to propose and implement a reasonable Corrective Action Plan to address and correct the root causes of any missed Performance Guarantee.
- g. The inclusion of the Performance Guarantees in this Agreement is intended to address unsatisfactory performance in the context of ongoing operations without resorting to the default provisions set forth in section 9 of the Contract. However, if Contractor's performance falls below the minimum level of performance (as contained in Attachment E - Performance Guarantees) for the same Performance Guarantee for three (3) measurement periods and such failure is not otherwise excused, then the Department

may declare an Event of Default and pursue alternative remedies in lieu of accepting Performance Guarantees.

- h. Contractor will be excused for failing to meet any Performance Guarantee to the extent such failure is caused by the Department not performing any of its obligations under the Contract.
- i. Contractor will advise the Department in writing as soon as possible of any circumstance or occurrence, which could excuse or affect Contractor's ability to achieve any of the Performance Guarantees. In all such cases, Contractor will cause to make all reasonable efforts to achieve the Performance Guarantees.

Section 8 INSURANCE

8.1 Insurance Coverage

During the Contract term, Contractor and each Subcontractor will, at their sole expense, continuously maintain commercial insurance of such a type and with such terms and limits as may be reasonably associated with this Contract and as required by law. Providing and maintaining adequate insurance coverage is a material obligation of Contractor and Subcontractors, and performance may not commence on this Contract until such time as insurance is secured by the Contractor and is approved by the Department. The Department will not unreasonably withhold or delay such approval. The limits of coverage under each policy do not limit Contractor's or Subcontractor's liability and obligations under the Contract. Unless otherwise agreed in writing by the Department, all insurance policies must be through insurers authorized or eligible to write policies in Florida. The Contractor shall notify the Department immediately if the Contractor loses any liability insurance coverage.

- a.) Commercial General Liability. The Contractor must continuously maintain commercial general liability insurance (inclusive of any amounts provided by an umbrella or excess policy) in the face amount of **\$5,000,000**.
- b.) Business Interruption Insurance. Contractor must continuously maintain business interruption insurance coverage in the face amount of **\$5,000,000**.
- c.) Workers' Compensation Insurance. The Contractor shall continuously maintain workers' compensation insurance as required under the Florida Workers' Compensation Law or the workers' compensation law of another jurisdiction where applicable. The Contractor must require all Subcontractors to similarly provide workers' compensation insurance for all of the latter's employees. In the event work is being performed by the Contractor under the Contract and any class of employees performing the work is not protected under Workers' Compensation statutes, the Contractor must provide, and cause each Subcontractor to provide, adequate insurance satisfactory to the Department, for the protection of employees not otherwise protected.
- d.) Professional Indemnity Insurance. The Contractor must secure and continuously maintain professional indemnity insurance that must cover professional liability and error and omissions in the face amount of **\$100,000**. Contractor will indemnify, defend, and hold harmless the Department and its employees and agents, from and against any third-party claims, demands, loss, damage, or expense caused by Contractor in connection with the performance of the Services related to professional liability and error and omissions. Each insurance certificate for such policy must include an agreement that the insurer will provide thirty (30) Calendar Days prior written notice to the Department of cancellation for any coverage.

The Contractor will provide all certifications of insurance as proof of insurance including evidence of renewed or replaced coverage, at least thirty (30) Calendar Days prior to the expiration or termination of any insurance policy.

8.2 Performance Bond

In accordance with section 110.123(3)(d)2, Florida Statutes, within thirty (30) days of executing the Contract, Contractor shall deliver to the Department's Contract Manager, without additional cost to the Department, a performance bond or, if approved by the Department, a negotiable irrevocable letter of credit or other form of security (collectively the bond) for the performance of work under the Contract in the amount of **\$40,000**. The bond or letter of credit shall be used to guarantee at least satisfactory performance by Contractor throughout the term of the Contract (including renewal years). The bond shall be annually maintained throughout the term of the Contract, issued by a reliable surety company which is licensed to do business in the State of Florida, and otherwise approved by the Department, and must include the following conditions:

- 1) Obligee: The Department shall be named as the obligee/beneficiary of the bond. Contractor's bond will provide that the insurer or bonding company shall be obliged to provide performance or payment remuneration directly to the Department.
- 2) Notice of Attempted Change: The Contractor shall, or shall cause the surety company to, provide the Department with thirty (30) Calendar Days prior written notice of any attempt to cancel or to make any other material change in the status, coverage, or scope of the required bond or of Contractor's failure to pay bond premiums.
- 3) Premiums: The Department shall not be responsible for any premiums or assessments on the bond.
- 4) Purpose of Bond: The bond is to protect the Department and the State against any loss sustained through failure of the Contractor or any of its employees, officers, directors, agents and representatives to accurately perform the Services required by the Contract for the entire term of the Contract.

No compensation shall be due to the Contractor until the performance bond is in place and approved by the Department in writing.

Upon execution of the Contract and by each yearly anniversary of the Effective Date, the Contractor shall provide the Department with a surety bond continuation certificate or other acceptable verification that the bond is valid and has been renewed for an additional year.

As an alternative to the surety bond described in this section, the Contractor may use an irrevocable, letter of credit on an annually renewable basis, which in the reasonable judgment of the Department, provides substantially equivalent protection.

Section 9 EVENTS OF DEFAULT AND REMEDIES

If the Contract is terminated for cause, the Contractor shall be liable for any re-procurement costs. The Contractor shall continue work on any part not terminated. Except for an Event of Default of Subcontractors, Contractor shall not be liable for any excess costs if the failure to perform the Contract arises from events completely beyond the control, and without the fault or negligence, of Contractor. If the failure to perform is caused by the Event of Default of a Subcontractor, and if the cause

of the Event of Default is completely beyond the control of both the Contractor and the Subcontractor, and without the fault or negligence of either, the Contractor shall not be liable for any excess costs for failure to perform, unless the subcontracted Services were obtainable from other sources in sufficient time for the Contractor to meet the required delivery schedule. In the event of the Contractor's default, all State agencies will be advised not to do business with Contractor without written approval from the Division of State Purchasing, until such time as Contractor reimburses the Department for all re-procurement and transition costs in accordance with paragraph (3)(c) of Rule 60A-1.006, Florida Administrative Code.

This Contract constitutes the full and complete Contract of the Parties hereto and supersedes any prior contracts, arrangements and communications, whether oral or written, with respect to the subject matter hereof. Each Party acknowledges that it is entering into the Contract solely on the basis of the representations contained herein, and for its own purposes and not for the benefit of any third party.

10.9 Execution in Counterparts

The Contract may be executed in counterparts, each of which shall be an original and all of which shall constitute but one (1) and the same instrument.

10.10 Force Majeure, Notice of Delay and No Damages for Delay

Contractor shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of Contractor or its employees or agents contributed to the delay, and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods or other similar cause wholly beyond Contractor's control, or for any of the foregoing that affect Subcontractors or suppliers if no alternate source of supply is available to Contractor. In case of any delay the Contractor believes is excusable, Contractor shall notify the Department in writing of the delay or potential delay and describe the cause of the delay either within ten (10) Calendar Days after the cause that creates or will create the delay, if the Contractor could reasonably foresee that a delay could occur as a result, or if delay is not reasonably foreseeable, within five (5) Calendar Days after the date the Contractor first had reason to believe that a delay could result. No claim for damages, other than for an extension of time, shall be asserted against the Department. Contractor shall not be entitled to payment of any kind from the Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist Contractor shall perform at no increased cost, unless the Department determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the State, in which case the Department may accept allocated Services from Contractor, provided that Contractor grants preferential treatment to the Department with respect to Services subjected to allocation, and/or purchase from other sources (without recourse to and by Contractor for the related costs and expenses) to replace all or part of the Services that are the subject of the delay, which purchases may be deducted from the Contract quantity, or terminate the Contract in whole or in part.

THE FOREGOING SHALL CONSTITUTE CONTRACTOR'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY. Providing Notice in strict accordance with this paragraph is a condition precedent to such remedy.

10.11 Further Assurances

The Parties will, subsequent to the Effective Date, and without any additional consideration, execute and deliver any further legal instruments and perform any acts that are or may become necessary to effectuate the purposes of this Contract.

10.12 Indemnification

Further, Contractor shall indemnify, defend, and hold harmless the State from any suits, actions, damages and costs of every name and description, including attorney's fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret or intellectual property right. If any Service is the subject of an infringement suit, or in Contractor opinion is likely to become the subject of a suit, Contractor may at its sole expense procure for the State the right to continue using the Service or to modify it to become non-infringing. If Contractor is not reasonably able to modify or otherwise secure the State the right to continue using the Service, Contractor shall remove the Service and refund the State the amounts paid in excess of a reasonable rental for past use. The State shall not be liable for any royalties.

Contractor's obligations under the preceding two (2) paragraphs with respect to any legal actions are contingent upon the State giving Contractor written notice of any action or threatened action, the opportunity to participate in the defense of and settle any such action at Contractor's sole expense, and assistance in defending the action at Contractor's sole expense. Contractor shall not be liable for any cost, expense, or compromise incurred or made by the State in any legal action without Contractor's prior written consent, which shall not be unreasonably withheld.

Contractor shall also indemnify, defend, and save harmless the Participants for any financial loss caused by the failure of Contractor, its officers, directors or agents to comply with the terms of this Contract.

Contractor shall, at no additional cost to the Department, defend the Department, the State, and/or Participants against any litigation brought by providers for payment of goods or services in excess of the applicable payment negotiated between the Contractor and the providers, and which relates to the performance of this Contract. The Contractor agrees to pay all costs, damages, awards, attorney's fees, and settlement amounts in any such litigation, provided that the Department, the State, and/or the affected Participants provided timely written notification to the Contractor of such litigation and provided that the Contractor had sole control of the defense of such litigation and any related settlement negotiations.

This section shall survive termination of this Contract.

The Department and Contractor agree that: (i) providers are not the agents or employees of the Department or Contractor and (ii) providers are solely responsible for the services they deliver to Participants, and neither the Department nor Contractor is responsible for the services delivered by providers.

This redacted copy shall contain the Contract name and number, and shall be clearly titled "Confidential." The redacted copy should only redact those portions of material that the Contractor claims is confidential, proprietary, trade secret, or otherwise not subject to disclosure.

10.22.3 Request for Redacted Information

In the event of a public records or other disclosure request pursuant to Chapter 119, Florida Statutes, the Florida Constitution, or other authority, to which documents that are marked as "Confidential" are responsive, the Department will provide the Contractor-redacted copies to the requestor. In addition, Services and programs not currently part of the benefits offered to Participants, but offered to substantially similar clients, shall be proposed for the Department's consideration to offer to Participants for the same or lower price. This does not include or apply to other Plan Design offerings. New offerings shall not be added or incorporated under this provision.
