

FLORIDA DEPARTMENT OF TRANSPORTATION

QUESTION & ANSWER NO. 1

3/5/2021

RE: ITN #: DOT-ITN-21-4005-JR

ITN TITLE: Rapid Incident Scene Clearance (RISC) Contract For District Four (4)

OPENING DATE: 3/15/2021

Notice is hereby given of the following responses to questions regarding the above-referenced ITN:

#	Question	Answer
1.	Can you please give me the mile markers and exact location of zone 4?	The mile markers and exact location of zone (District) four are as follows: From the Mile Marker 4 at the Miami Dade County line on I-75 NB/SB to Mile Marker 23 NB/SB before US-27 and on I-595 EB/WB Mile Marker 1 to the I-75 Interchange Mile Marker 7.
2.	In Attachment "C", page 1 of 4, subsection C. Subcontracted Service Providers, is it required to list a subcontractor for services we ourselves can provide? For example, 1 ea. Rubber tire, articulated, heavy construction end loader with a minimum 2-yard bucket. If our company owns this and has the means to transport it to the scene, is it required to list a Subcontractor?	If your company owns this and has the means to transport it to the scene, it is not required to list a Subcontractor.

Respondents must acknowledge receipt of this Addendum by completing and returning to the Procurement Office with their Reply via email at D4.Purch@dot.state.fl.us (or via FTA if requested timely), by no later than the time and date of the proposal opening. **Failure to do so may subject the Respondent to disqualification.**
